Working On The Edge:

Working on the Edge Spike Walker,2025-10-16 In a breathtaking action packed account that combines his personal story with the stories of survivors of the industry s most harrowing disasters Spike Walker s Working on the Edge re creates the boom years of Alaskan crab fishing and the crash that followed No profession pits man against nature more brutally than king crab fishing in the frigid unpredictable waters of the Bering Sea The yearly death toll is staggering forty two men in 1988 alone the conditions are beyond most imaginations 90 mph Arctic winds 25 foot seas and super human stretches of on deck labor but the payback if one survives can be tens of thousands of dollars for a month long season Walker rivetingly depicts the modern day gold rush that drew hundreds of fortune and adventure hunters to Alaska s dangerous waters
