for financing social policy in a development context [World Employment Report 2004-05](#) International Labour Office,2005
Productive employment is the economic foundation of decent work Laying this foundation is the central challenge we now
face Decent and productive employment remains only an aspiration for many hundreds of millions of people frustrated by a
reality of rising unemployment or employment that does not provide the chance to escape poverty *Globalization and
Health* Ichiro Kawachi,Sarah Wamala,2006-09-21 This book provides an analysis of the most serious global threats to health
the tools that can be used to evaluate them and the international agencies established to respond to them Medical threats
such as infectious diseases obesity tobacco use and global climate change are discussed but the authors also expand their
scope to include socio political health impacts such as economic inequality The complex role of organizations such as the
World Health Organization the International Monetary Fund and the World Bank is also analyzed as is the increasing
interconnectedness of health and non health actors Is this blurring of boundaries really beneficial to the public s health or
have these actors abandoned health issues for power politics By drawing together an international group of health experts
Globalization and Health provides a comprehensive account of the successes and failures as well as the challenges and
