## **Steal Me:**

**An Interpretive Guide to Operatic Arias** Martial Singher, Eta Singher, 1983 A premier singer and master teacher here tells other singers how to get the most from 151 famous arias selected for their popularity or their greatness from 66 operas ranging in time and style from Christopher Gluck to Carlisle Floyd from Mozart to Menotti The most memorable thrills in an opera singer's life according to the author's Introduction may easily derive from the great arias in his or her repertoire This book continues the work Martial Singher has done in performances in concerts and in master classes and lessons by drawing attention not only to precise features of text notes and markings but also to psychological motivations and emotional impulses to laughter and tears to technical skills to strokes of genius and even here and there to variations from the original works that have proved to be fortunate For each aria the author gives the dramatic and musical context advice about interpretation and the lyric with the original language if it is not English and an idiomatic American English translation in parallel columns The major operatic traditions French German Italian Russian and American are represented as are the major voice types soprano mezzo soprano tenor baritone bass baritone and bass The dramatic context is not a mere summary of the plot but is a penetrating and often witty personality sketch of an operatic character in the midst of a situation The musical context is presented with the dramatic situation in a cleverly integrated way Suggestions about interpretation often illustrated with musical notation and phonetic symbols are interspersed among the author's explication of the music and the action An overview of Martial Singher's approach based on fifty years of experience on stage in a hundred roles and in class at four leading conservatories is presented in his Introduction As the reader approaches each opera discussed in this book he or she experiences the feeling of participation in a rehearsal on stage under an urbane though demanding coach and director The Interpretive Guide will be of value to professional singers as a source of reference or renewed inspiration and a memory refresher to coaches for checking and broadening personal impressions to young singers and students for learning to teachers who have enjoyed less than a half century of experience and to opera broadcast listeners and telecast viewers who want to understand what goes into the sounds and sights that delight them **Program** Ann Arbor (Mich.). May Festival, 1904

**Conversations with Seth** Susan M. Watkins, 2005-01-01 In 1963 Jane Roberts met a spiritual entity named Seth He spoke through her and the lessons he taught proved timeless and crucial From 1968 to 1975 Roberts held an ESP class during which she channeled Seth Susan Watkins was a member of that class The knowledge gained from Seth helped Watkins and her classmates face serious illness painful relationships financial hardship and natural catastrophe It also changed their lives In addition to being a well written highly entertaining historical account of the late Jane Roberts and her class Conversations with Seth reveals the profound insights discovered by class members insights into the origin of both the troubling and triumphant events in our lives and into the vast nature of human consciousness Roberts Seth material is consistently one of the top two most visited collections at the Yale University Archives The story that launched the New Age
