A Message for the Millennium K. Martin-Kuri, 1996

As we prepare ourselves for the next century we will either expand our freedom in such a way that we can cooperate with heavenly thought or we will lose our identities by becoming automatic response mechanisms for the rebellious forces opposing God

K. Martin Kuri has a special connection to the realms of heaven Now in *A Message for the Millennium* she is compelled to remind us that we are living in troubled times and that we are being called to make a critical choice Neglect of our children political and personal terrorism random and calculated violence addictions deadly new diseases and other evils have brought us to the edge of the abyss As a new millennium approaches she warns we must either gather ourselves to soar into a better future or stumble and fall to the depths

In *A Message for the Millennium* Martin Kuri translates into actual living practices the things we can do to avoid disaster She illumines the path of transformation that can allow our guardian angels to work more effectively in our lives and lead to change on a personal and cosmic level Every time we think a negative thought or commit an act of jealousy greed or hatred we are holding the angels at bay The angels want to help us but they are powerless except in extreme cases if we do not create an atmosphere of love and kindness in which they can intercede on our behalf

When God gave us free will he gave us the opportunity to determine our fate Only by hearing the messages from the angels can we come closer to God

Martin Kuri shares with us special techniques for taming our inner dragons and defusing the powerful negative energies of society She reveals how through prayer and helping others we can help ourselves and save our planet

A Message for the Millennium is a thought provoking book that asks and answers tough questions It calls upon us to begin the hard work that can usher in an era of good will Most important it tells us what each of us must do in our daily lives The choice is ours Time is running out The angels are calling Will we hear their message Will we make the right choice
