

WHAT IS ETHICS?

Ethics is based on well-founded standards of what is morally good and bad and morally right and wrong for the society.

Ethics establish the rules that individuals need to follow for the survival of the society. Therefore, ethics are subjective and communal.

An **ethical behavior** is an action that is following the rules of what is considered correct in society. On the contrary, a *moral behavior* is driven by the desire to be good.

The Ethics Class
