Edwin Williams

Thematic Structure In Syntax

Edwin Williams

Thematic Structure In Syntax:

Thematic Structure in Syntax Edwin Williams, 1994 This important monograph summarizes, rethinks and extends a decade of the author's work on the role assignments, the ways in which the roles implied by verbs of a given type play out in terms of position and other syntactic functions. The study of theta roles and the locality of theta role assignment leads into many interesting areas of linguistic theory such as scope, the ECP, X-bar theory, binding theory and the weak crossover condition. Williams's reconstruction thus offers a systematic integration of a remarkably wide range of syntactic phenomena. Williams starts by outlining a theory of the clause, specifically of the distribution of Nominative Case and Tense. He then develops a formalism for the notion of external argument that is used throughout the rest of the book. Subsequent chapters review the issues surrounding the syntactic expression of the subject-predicate relationship, extend the notion of external argument to include NP movement and reanalyze the verb movement constructions as deriving from the calculus of theta roles rather than movement. The last chapter distinguishes referential dependence and coreference, showing that a general Leftness condition governs the former while the binding theory, restated in terms of theta relations, governs the latter. Edwin Williams is Professor of Linguistics at Princeton University.

Thematic Structure and Para-Syntax: Arabic as a Case Study James Dickins, 2020-03-05 Thematic Structure and Para Syntax: Arabic as a Case Study presents a structural analysis of Arabic, providing an alternative to the traditional notions of theme and rheme. Taking Arabic as a case study, this book claims that approaches to thematic structure propounded in universalist linguistic theories, of which Hallidayan systemic functional linguistics is taken as an illustrative example, are profoundly wrong. It argues that in order to produce an analysis of thematic structure and similar phenomena which is not undermined by its own theoretical presuppositions, it is necessary to remove such notions from the domain of linguistic and semiotic theory. The book initially focuses on Sudanese Arabic because this allows for a beautifully clear exposition of general principles before applying these principles to Modern Standard Arabic and some other Arabic varieties. This book will be of interest to scholars in Arabic linguistics, linguistic theory and information structure.

Thematic Structure Iggy M. Roca, 2012-01-19 No detailed description available for Thematic Structure.

Thematic Structure [unclear], 2007-10-25

Semantics - Lexical Structures and Adjectives Claudia Maienborn, Klaus von Stechow, Paul Portner, 2019-02-19 Discover vital research on the lexical and cognitive meanings of words. In this exciting book from a team of world-class researchers, in-depth articles explain a wide range of topics including thematic roles, sense relation, ambiguity and comparison. The authors focus on the cognitive and conceptual structure of words and their meaning extensions such as coercion, metaphors and metonymies. The book features highly cited material available in paperback for the first time since its publication and is an essential starting point for anyone interested in lexical semantics, especially where it meets other cognitive and conceptual research.

Word Meaning and Syntax Stephen Wechsler, 2015 This book examines the nature of the interface between word meaning and syntax, one of the most

controversial and elusive issues in contemporary linguistics It approaches the interface from both sides of the relation and surveys a range of views on the mapping between them with an emphasis on lexical approaches to argument structure Stephen Wechsler begins by analysing the fundamental problem of word meaning with discussions of vagueness and polysemy complemented with a look at the roles of world knowledge and normative aspects of word meaning He then surveys the argument taking properties of verbs and other predicators and presents key theories of lexical semantic structure Later chapters provide a description of formal theories and frameworks for capturing the mapping from word meaning to syntactic structure as well as arguments in favour of a lexicalist approach to argument structure The book will interest scholars of theoretical linguistics particularly in the fields of syntax and lexical semantics as well as those interested in psycholinguistics and philosophy of language

Projections and Interface Conditions Anne-Marie Di Sciullo,1997 This collection of previously unpublished papers explores the implications of Chomsky s Minimalist framework for the modularity of grammar which simplifies the modular approach he took in his Government and Binding theory of grammar According to this theory autonomous grammatical components phonological syntactic morphological and semantic coexist and interact like building blocks using a given set of principles at given levels of representation Chomsky s assertions have sparked a great deal of theoretical debate especially with regard to the nature and interaction of each of the building blocks The contributors to this volume join the debate in a series of case studies that compare modularity in English French and Italian among other languages In the process they address such issues as the autonomy and applications of modules and their distribution in theory as well as the role of functional projects in their derivations Projections and Interface Conditions will interest researchers in any of the above mentioned languages as well as the large number of linguists working in the Chomskyan tradition

Lexical Categories and Argument Structure Nadezhda Vinokurova,2005 Classic and Contemporary Irmengard Rauch,Gerald F. Carr,1996-10-28 TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by approaching language from an interdisciplinary perspective TRENDS IN LINGUISTICS considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing

Concise Encyclopedia of Semantics Keith Allan,2010-04-06 Concise Encyclopedia of Semantics is a comprehensive new reference work aiming to systematically describe all aspects of the study of meaning in language It synthesizes in one volume the latest scholarly positions on the

construction interpretation clarification obscurity illustration amplification simplification negotiation contradiction contraction and paraphrasing of meaning and the various concepts analyses methodologies and technologies that underpin their study It examines not only semantics but the impact of semantic study on related fields such as morphology syntax and typologically oriented studies such as grammatical semantics where semantics has made a considerable contribution to our understanding of verbal categories like tense or aspect nominal categories like case or possession clausal categories like causatives comparatives or conditionals and discourse phenomena like reference and anaphora COSE also examines lexical semantics and its relation to syntax pragmatics and cognitive linguistics and the study of how logical semantics develops and thrives often in interaction with computational linguistics As a derivative volume from Encyclopedia of Language and Linguistics Second Edition it comprises contributions from 150 of the foremost scholars of semantics in their various specializations and draws on 20 years of development in the parent work in a compact and affordable format Principally intended for tertiary level inquiry and research this will be invaluable as a reference work for undergraduate and postgraduate students as well as academics inquiring into the study of meaning and meaning relations within languages As semantics is a centrally important and inherently cross cutting area within linguistics it will therefore be relevant not just for semantics specialists but for most linguistic audiences The first encyclopedia ever published in this fascinating and diverse field Combines the talents of the world's leading semantics specialists The latest trends in the field authoritatively reviewed and interpreted in context of related disciplines Drawn from the richest most authoritative comprehensive and internationally acclaimed reference resource in the linguistics area Compact and affordable single volume reference format

Thematic Theory in Syntax and Interpretation Robin Clark, 2016-11-10 In recent years lexical argument structure in the guise of thematic roles has come to play an increasingly important part in syntactic theory The first part of this book first published in 1990 explores the interplay between thematic role assignment and movement processes with particular reference to the explanatory problem of nominalisation The second part explores the relationship between thematic roles and control Particularly close attention is paid to implicit arguments arbitrary control and adverbs of quantification A theory of control is presented which unifies obligatory and non obligatory control The theory of control furthermore generalises to account for the binding gaps in purposive clauses tough movement constructions infinitival clauses and other constructions which have typically been analysed as involving long distance dependencies This title will be of interest to students of linguistics

Thematic Structure In Syntax Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Thematic Structure In Syntax free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Thematic Structure In Syntax free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Thematic Structure In Syntax free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Thematic Structure In Syntax. In conclusion, the

internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Thematic Structure In Syntax any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Thematic Structure In Syntax Books

1. Where can I buy Thematic Structure In Syntax books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Thematic Structure In Syntax book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Thematic Structure In Syntax books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Thematic Structure In Syntax audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Thematic Structure In Syntax books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
