War Trash:

War Trash Ha Jin, 2005-05-10 Ha Jin's masterful new novel casts a searchlight into a forgotten corner of modern history: the experience of Chinese soldiers held in U.S. POW camps during the Korean War. In 1951, Yu Yuan, a scholarly and self-effacing clerical officer in Mao's volunteer army, is taken prisoner south of the 38th Parallel. Because he speaks English, he soon becomes an intermediary between his compatriots and their American captors. With Yuan as guide, we are ushered into the secret world behind the barbed wire, a world where kindness alternates with blinding cruelty and one has infinitely more to fear from one's fellow prisoners than from the guards. Vivid in its historical detail, profound in its imaginative empathy, *War Trash* is Ha Jin's most ambitious book to date. *Settler Garrison* Jodi Kim, 2022-04-07 In *Settler Garrison*, Jodi Kim theorizes how the United States extends its sovereignty across Asia and the Pacific in the post-World War II era through a militarist settler imperialism that is leveraged on debt as a manifold economic and cultural relation undergirded by asymmetries of power. Kim demonstrates that despite being the largest debtor nation in the world, the United States positions itself as an imperial creditor that imposes financial and affective indebtedness alongside a disciplinary payback temporality, even as it evades repayment of its own debts. This debt imperialism is violently reproduced in juridically ambiguous spaces. Kim calls the settler garrison a colonial archipelago of distinct yet linked military camptowns, bases, POW camps, and unincorporated territories situated across the Pacific from South Korea to Okinawa to Guam. Kim reveals this process through an analysis of how a wide array of transpacific cultural productions creates antimilitarist and decolonial imaginaries that diagnose U.S. militarist settler imperialism while envisioning alternatives to it. Ha Jin Marc Schumann, 2013-08-01 Ha Jin is a contemporary Chinese American poet and novelist who is most commonly associated with the Misty Poetry movement. His contributions to the world of fiction have been awarded with such honors as the National Book Award and the Townsend Prize for Fiction. This Guggenheim Fellow was a young child in China under communist rule and was only 14 years old when he became a member of the People's Liberation Army. In this riveting book about this celebrated author, critical analyses of his works are presented. Your readers will engage deeply with this volume by learning how to identify themes, analyze how elements in the text interact, and how to identify the informational context behind the fictional treatment Jin uses with his chosen words. *East-West Montage* Sheng-mei Ma, 2007-11-06 *East-West Montage* possesses a unique vision that promises to push discussions of globalization, cultural production, ethnic identity, and bodily metaphors in powerful new directions. Ma is to be praised for his sound scholarship and innovative interpretations. Indeed, where others specialize in either the collection of details or the unpacking of text, Ma weaves a strong analytic exegesis rooted in thorough research. Richard King, Washington State University. Approximately twelve hours' difference lies between New York and Beijing. The West and the East are literally night and day apart. Yet *East-West Montage* crosscuts the two in the manner of adjacent filmic shots to accentuate their montage-like complementarity. It examines the intersection between East and West, the Asian diaspora, or

more specifically Asian bodies in diaspora and the cultural expressions by and about people of Asian descent on both sides of the Pacific Following the introduction Establishing Shots the book is divided into seven intercuts which in turn subdivide into dialectically paired chapters focusing on specific body parts or attributes The range of material examined is broad and rich the iconography of the opium den in film noir the writings of Asian American novelists the swordplay and kung fu film Japanese anime the Korean Wave including soap operas like Winter Sonata and the cult thriller Oldboy Rogers and Hammerstein s Orientalist musicals the comic Blackhawk the superstar status of the Dalai Lama and the demise of Hmong refugees and Chinese retirees in the U S Highly original and immensely readable East West Montage will appeal to many working in a range of disciplines including Asian studies Asian American studies cultural studies ethnic studies film studies popular culture and literary criticism
