War At Troy:

The War at Troy Lindsay Clarke,2004-09 The War at Troy breathes vigorous new life into the myths of Homer's Iliad skillfully rejuvenating Paris and Helen Agamemnon and Clytaemnestra Achilles Odysseus and Hector in this startlingly contemporary drama of the passions Here two powerful generations of men and women live out their destinies in the timeless zone where myth and history intersect and where quarrels among immortal gods mirror the conflicts of the human heart This imaginative retelling will surely benefit from the renewed interest in this classic tale the movie Troy starring Brad Pitt and Orlando Bloom lands in May 2004

The Trojan War Barry Strauss,2006-09-19 The Trojan War is the most famous conflict in history the subject of Homer's Iliad one of the cornerstones of Western literature Although many readers know that this literary masterwork is based on actual events there is disagreement about how much of Homer's tale is true Drawing on recent archeological research historian and classicist Barry Strauss explains what really happened in Troy more than 3 000 years ago For many years it was thought that Troy was an insignificant place that never had a chance against the Greek warriors who laid siege and overwhelmed the city In the old view the conflict was decided by duels between champions on the plain of Troy Today we know that Troy was indeed a large and prosperous city just as Homer said The Trojans themselves were not Greeks but vassals of the powerful Hittite Empire to the east in modern day Turkey and they probably spoke a Hittite related language called Luwian The Trojan War was most likely the culmination of a long feud over power wealth and honor in western Turkey and the offshore islands The war itself was mainly a low intensity conflict a series of raids on neighboring towns and lands It seems unlikely that there was ever a siege of Troy rather some sort of trick perhaps involving a wooden horse allowed the Greeks to take the city Strauss shows us where Homer nods and sometimes exaggerates and distorts as well He puts the Trojan War into the context of its time explaining the strategies and tactics that both sides used and compares the war to contemporary battles elsewhere in the eastern Mediterranean With his vivid reconstructions of the conflict and his insights into the famous characters and events of Homer's great epic Strauss masterfully tells the story of the fall of Troy as history without losing the poetry and grandeur that continue to draw readers to this ancient tale

The Trojan Horse: How the Greeks Won the War Emily Little,2013-08-28 The Trojan War is one of the most important events in Greek mythology It comes to life in this exciting Step 5 leveled reader about the Greeks' clever use of the Trojan Horse to wage a battle inside the walls of the city of Troy Based on the legends of ancient scribes Virgil and Homer this high interest story is easy to read for proficient readers but the action and adventure will entice even the most reluctant readers Step 5 books are written in chapters and illustrated in full color throughout An ancient history lesson emerges from this account of the way the Greeks tricked the Trojans and rescued Helen of Troy The book is well tailored to younger readers with careful explanations and short sentences a pronunciation guide is appended

Powell,2006 THE WAR AT TROY

A TRUE HISTORY Tells the story of the entire saga based on ancient sources with a humorous tongue in cheek tone Fascinating and a great source for what the ancients actually said about the course of this most famous war **The War of Troy** Elena Kocaqi, 2019-04-22 This book treats the Trojan War from historical aspect separated from myths There are enough historical facts to treat it in this way because the ancient authors have written a lot about this war Helena the queen of Sparta or known as Helen of Troy could have been a reason for this war but in fact she was not the real cause of it because Achaeans killed before the king of Troy Laomedon and took in slavery the princes of Troy Hesiona So all this conflict lasted for 30 years from the death of Laomedon to the fall of Troy According to Dares of Phrygia a testimony of the war the war itself lasted 10 years six months and 12 days and brought more than 1.5 million deaths and also thousands of injured people So for the dimension of time space and casualties it has the features of a world war In this book is treated the origin of tribes that participated in this war both from Trojans and Achaeans camps The origin of those tribes was from Pelasgian and Illyrians that were the oldest people that have inhabited that part of Europe and Asia Minor So we have had a Dardan dynasty in Troy that had links also with Dardans of Illyria Kosovo today The Phrygians of Troy were tribes that emigrated according to ancient authors from region around Epidamnus or Durres of today Albania Almost all tribes of Troy had links with tribes known in history as Illyrians All the dynasties of Achaeans with the most important kings as Agamemnon and Menelaus were ancestors from Pelops of Phrygia and were from the same origin as were the Phrygians too so Illyrians The Achaeans population was of Pelasgian origin The ethic of Trojan war is found all in the Albanian canonical law and today that preserves very well the laws of that time in hospitality loyalty blood feud the non violation of victims the non removal of armature after death the pledge and oath costumes that are inherited from the Pelasgians and Illyrians For this book are seen only the ancient authors and especially two authors that wrote for it as Dicty of Crete that participated in war with Achaeans and also Dares of Phrygia that participated with Trojans Homer is seen only as third source together with all historical sources of antiquity This book for the first time brings the real origin of the Achaeans that are called after as Greeks when in fact they never called themselves as Greeks Greek is called according to Aristotle a tribe in Pelasgian Dodona of Epirus where Albanian Tosk dialect is formed and is today the official language of Albania So Greek tribe is also linked with Albanians of Epirus that were called as Pelasgians Tosk before 2500 years and are called and Tosks Albanians and today Historians until now instead to find the real Greeks have invented them So it must be reconsidered according to fact all history of antiquity This was not a war between Greeks and Trojans but between Achaeans and Trojans or between tribes known in history as Pelasgian and Illyrians **The Trojan War** Bernard Evslin, 2023-04-13 A cinematic tale of passion war loyalty betrayal and retribution These events I relate are the living seeds and they will bear bloody fruit I promise So says Ulysses King of Ithaca as he recounts the origins of the Trojan War Renowned Greek mythologist Bernard Evslin masterfully depicts the ten year war its beginnings rooted in discord among the gods the seduction of the famed beauty Helen of Troy

and the spectacular development of the Trojan Horse Ulysses cunning ploy to win the war Evslin brings to life the dramatic twists and turns of this classic tale of human folly mortal heroism and the brutality and brilliance that have come down through the ages
