## **War Dogs:**

**War Dogs** Rebecca Frankel,2016-09-06 A compelling look at the important role that dogs have played in America's most recent military conflicts replete with the touching stories of individual dogs and their handlers soldiers **WAR DOGS** George Frangoulis,2014-11-14 WAR DOGS Dogs in warfare have a long history starting in ancient times From war dogs trained in combat to their use as scouts sentries and trackers their uses have been varied and some continue to exist in modern military usage This book portrays war dogs used in modern times primarily by United States military services

**War Dogs** United States. War Department,1943 **War Dogs** Rebecca Frankel,2014-10-14 A compelling look at the important role that dogs have played in America's most recent military conflicts replete with the touching stories of individual dogs and their handlers soldiers War Dogs Rebecca Frankel,2013-08-27 Growing out of the most read piece in the history of Foreign Policy receiving 11.2 million page views War Dogs is even more vivid and comprehensive than the New York Times bestseller Soldier Dogs This riveting exploration of dogs in the military takes you behind the scenes and onto the front lines with the U.S. military's canine units For more than 100 years dogs have fought alongside U.S. soldiers on and off the battlefield accompanying troops on all their missions from parachute deployment to bomb clearance In War Dogs journalist Rebecca Frankel delves into the remarkable realm of these specially trained canines drawing on her own extensive on the ground reporting to provide a full understanding of what dogs and their human compatriots go through day after day under fire and the striking bond that evolves between them Frankel explores this full circle relationship even as it extends beyond war with therapy dogs canines healing the wounds of combat both physical and psychological From the Civil War to the War on Terror dogs role in military missions has remained one of the most intriguing and most effective weapons in the arsenal of modern warfare And while the United States is winding down its involvement in two wars and military funds dwindle Frankel makes a passionate case for keeping war dog programs as a permanent and well funded military force Full of stories of heartrending heroics and photographs throughout War Dogs is informative emotional and astounding Read it along with your best four legged friend **War Dogs** Michael G. Lemish,2022-12-05 Now in trade paperback War Dogs provides an eye opening look at unsung canine heroes from World War I to the present Terriers shepherds beagles collies huskies and Dobermans are only a few of the breeds that have pulled sleds searched caves and bunkers and even parachuted into combat Michael Lemish has collected true stories and rare photographs that reflect the strong bonds that have formed between war dogs and their masters as they worked together in dangerous situations Anyone who has ever loved a dog will love this salute to these four legged heroes War Dogs Meish Goldish,2012-01-01 One night in February 2010 a suicide bomber approached an American military base in Afghanistan Wearing 25 pounds of explosives the man tried to sneak inside the building However three dogs Sasha Target and Rufus started barking and attacked him The bomber set off his explosives by the door instead of inside the building and all of the soldiers at the base survived the attack Sasha Target and Rufus were

heroes In this book young readers will meet the courageous canines that work with the U S military to search for explosives and to guard soldiers weapons vehicles and buildings They ll also discover the history training and care of these loyal working animals Full color photos and dramatic true tales capture the stories of these brave dogs and their mission to keep U S soldiers around the world safe **K-9 Korea** J. Rachel Reed,2017-04-17 The men of the 8125th Sentry Dog Detachment had no idea what they would find when their ship docked at Incheon Korea The dogs in the unit seemed even more uncertain than the men they could smell the terror in the place Almost immediately these soldiers came to rely on each other man and dog alike for safety courage and companionship Yet in the end the men of the 8125th could have never imagined the terrible and final sacrifice their canine companions would be forced to make **K 9 Korea** is the heartrending story of American war dogs the fearless loyal forgotten heroes of the Korean War **Planet Dog** Sandra Choron,Harry Choron,2005 C 1 ST AID B T 09 18 2007 14 95 **WAR DOGS** U.S. War Department,1943-07-01 The WW2 Classic TM 10 396 Written in 1943 this classic training manual goes into every detail of training and use of war dogs Basic methods equipment and training specifics are explained clearly and includes in depth information on specialized training for Sentry dogs Guard Attack dogs Messenger Scout and Casualty dog training techniques With over 60 photographs this manual is a wealth of information for any dog handler or trainer interested in dog training methodology used for U S military dog training during WW2 It will also be of interest to anyone utilizing a dog for law enforcement as a dog trainer or handler **Major: A Soldier Dog** Trevor Jones,2020-06-15 The incredible story of the War Dog program as seen through the eyes of Major a World War Two soldier dog During WWII the U S Military established the Fort Robinson War Dogs Training Center in western Nebraska training over 17 000 dogs for defense and deploying them to battlefields and installations all over the world At the beginning of the program without a ready supply of dogs to train the U S government asked civilians throughout the region to volunteer their dogs for service Thousands answered the call and their pets served our country courageously as guards scouts messengers sled runners and more Told from the point of view of Major a border collie based on a real dog from North Dakota Major A Soldier Dog tells the incredible story of the War Dog program through his eyes following him through the heartbreaking separation from his family the training at Fort Robinson his harrowing war service in Italy his return home for detrainning and discharge and finally the tearful reunion with his family **War Dogs** Guy Lawson,2016-07-26 Previously published as Arms and the dudes **War Dog** Al J. Venter,1904-07-20 Mercenaries have been with us since the dawn of civilization yet in the modern world they are little understood While many of today s freelance fighters provide support for larger military establishments others wage war where the great powers refuse to tread In War Dog Al Venter examines the latter world of mercenary fighters effecting decisions by themselves In the process he unveils a remarkable array of close quarters combat action Having personally visited every locale he describes throughout Africa and the Middle East Venter is the rare correspondent who had to carry an AK 47 in his research along with his notebook and camera To him covering mercenary

actions meant accompanying the men into the thick of combat During Sierra Leone s civil war he flew in the front bubble of the government s lone Hind gunship piloted by the heroic chopper ace Nellis as it flew daily missions to blast apart rebel positions In this book the author not only describes the battles of the legendary South African mercenary company Executive Outcomes he knew the founders personally and joined them on a number of actions After stemming the tide of Jonas Savimbi s UNITA army in Angola an outfit many of the SA operators had previously trained Executive Outcomes headed north to hold back vicious rebels in West Africa This book is not only about triumph against adversity but also losses as Venter relates the death and subsequent cannibalistic fate of his American friend Bob MacKenzie in Sierra Leone Here we see the plight of thousands of civilians fleeing from homicidal jungle warriors as well as the professionalism of the mercenaries who fought back with one hand and attempted to train government troops with the other in hopes that they would someday be able to stand on their own The American public as well as its military largely sidestepped the horrific conflicts that embroiled Africa during the past two decades But as Venter informs us there were indeed small numbers of professional fighters on the ground defending civilians and attempting to conjure order from chaos In the process their heroism went unrecorded and their combat skill became known only to each other In this book we gain an intimate glimpse of this modern breed of warrior in combat Not laden with medals ribbons civic parades or even guaranteed income they have nevertheless fought some of the toughest battles in the post Cold War era They simply are and perhaps always will be War Dogs AL J VENTER has been an international war correspondent for nearly thirty years primarily for the Jane s Information Group He has also produced documentary television films on subjects from the wars in Africa and Afghanistan to sharkhunting off the Cape of Good Hope Among his previous works are The Iraqi War Debrief Why Saddam Hussein Was Toppled and Iran s Nuclear Option Tehran s Quest for the Atomic Bomb A native of South Africa he is currently resident in the United Kingdom

**War Dogs: Churchill and Rufus** Kathryn Selbert,2018-03-29 Read Along or Enhanced eBook Winston Churchill the prime minister of England during World War II was one of the greatest wartime leaders of the modern era While he is often likened to the English bulldog due to his tenacious personality and even his physical resemblance to the breed Mr Churchill was actually a devoted poodle owner and held quite an affinity for his miniature poodle Rufus who withstood the trials of World War II by his owner s side Readers follow Rufus and Winston s friendship through major events in World War II from the bombings of London and the invasion of Normandy to post war reconstruction Secondary text includes quotes from Churchill himself taken from his rousing speeches to the people of England and to the world Backmatter includes a timeline of World War II an author s note about Churchill s pets as well as a short biography quote sources and a list of recommended resources for further study In her debut picture book Kathryn Selbert has created a unique look at a significant historical figure and period in world history

**Always Faithful** William W. Putney,2002-02-22 Twenty three year old Bill Putney enlisted in the Marines in 1943 in search of military glory Instead Putney a licensed veterinarian was relegated to the Dog Corps Putney became the

Commanding Officer of the 3rd War Dog Platoon and later the chief veterinarian and C O of the War Dog Training School at Camp Lejeune North Carolina At Lejeune Putney helped train America s dogs for war in the Pacific He later led them into combat in the invasion of Guam in 1944 the first liberation of American soil in World War II Always Faithful is the story of the dogs that fought in Guam and across the islands of the Pacific a celebration of the four legged soldiers that Putney both commanded and followed It is a tale of immense courage but also of incredible sacrifice On Guam as on islands such as Iwo Jima and Okinawa the Japanese were infamously tenacious refusing to surrender as long as there was a hole left to crawl into Rooting out the enemy was an awful painstaking job To this task Putney s dogs were well suited Used for scouting attack carrying messages detecting mines and also as guards the war dogs were so well trained that they could locate nonmetallic mines that had been buried for months deep underground their hearing was so precise they could detect enemy trip wires by listening to them sing in the breeze Their record in action was perfect More than 550 patrols on the island of Guam were led by dogs not one patrol was ambushed But for this success the dogs always out in front paid a terrible price Although Putney worked feverishly as veterinarian and C O to keep the dogs alive many were lost After the war Putney returned home only to discover that the dogs he had served with were being put to sleep These dogs were ex household pets recruited from civilians with the promise that they would someday be returned Outraged Putney fought for the dogs right to go home He won and headed the overwhelmingly successful program to detrain the dogs so they could return to their families Alas quickly learned the lesson was quickly forgotten The dogs of Korea and Vietnam did not come home Then in the final days of his administration President Clinton signed into law a bill that allows military handlers to bring home the dogs with which they work Once again Putney was at the front of the charge For anyone who has ever read Old Yeller or the books of Jack London here is a real life story never before told that beats any fiction At once wistful tribute and stirring adventure Always Faithful describes what may be the greatest man dog effort of all time It will both astound and move you

**War Dogs** Kathryn Selbert,2016-04-19 Winston Churchill the prime minister of England during World War II was one of the greatest wartime leaders of the modern era While he is often likened to the English bulldog due to his tenacious personality and even his physical resemblance to the breed Mr Churchill was actually a devoted poodle owner and held quite an affinity for his miniature poodle Rufus who withstood the trials of World War II by his owner s side Readers follow Rufus and Winston s friendship through major events in World War II from the bombings of London and the invasion of Normandy to post war reconstruction Secondary text includes quotes from Churchill himself taken from his rousing speeches to the people of England and to the world Backmatter includes a timeline of World War II an author s note about Churchill s pets as well as a short biography quote sources and a list of recommended resources for further study In her debut picture book Kathryn Selbert has created a unique look at a significant historical figure and period in world history

**Buddies** L. Douglas Keeney,2015-08-07 Enjoy the fun photos and heartwarming stories of WWII s American soldiers and their dogs One of the

most effective forms of American propaganda during World War II was the morale boosting dog or buddy photo. The photos reassured folks back home that despite the horrors of the war their boys were still boys. Buddies: Heartwarming Photos of GIs and Their Dogs in World War II is chock full of photos of warriors and their pups along with stories of the dogs and their service in Europe and the Pacific. This new edition includes even more photos and tales of furry friends on the front. Max a Boxer was a full fledged paratrooper in the Army who earned his wings after five jumps. Skippy a pit bull pointer was such a big part of his bomber crew that members painted him on their B 17 Flying Fortress and fitted him with a custom oxygen mask. Don't forget the salty dogs of the navy such as Hobo who followed his pals when they took a beach. Private Chico a marine mutt promptly dug his own foxhole after landing on Bougainville. The US Coast Guard counted many puppies who were born on ships among their furriest and possibly most beloved sailors. Pete the Pooch a tenacious terrier even helped bring in mooring lines. Although dogs were the most popular mascot a few chickens crows cats goats and monkeys made their way into the hearts of our fighting men. Get the full story on these companions too. **Cry Havoc** Nigel Allsopp, 2011

Features outstanding coverage of the employment of dogs in military and law enforcement organisations around the world.

**War Dogs** Greg Bear, 2014-10-14. An epic interstellar tale of war from a master of science fiction. One more tour on the red. Maybe my last. They made their presence on Earth known thirteen years ago. Providing technology and scientific insights far beyond what mankind was capable of. They became indispensable advisors and promised even more gifts that we just couldn't pass up. We called them Gurus. It took them a while to drop the other shoe. You can see why looking back. It was a very big shoe completely slathered in crap. They had been hounded by mortal enemies from sun to sun planet to planet and were now stretched thin and they needed our help. And so our first bill came due. Skyrines like me were volunteered to pay the price. As always. These enemies were already inside our solar system and were moving to establish a beachhead but not on Earth. On Mars. **Military Dogs** Marty Gitlin, 2019-08-01. Did you know that the use of war dogs has been traced back

more than 2 500 years. The ruler of the ancient Kingdom of Lydia ordered a pack of dogs to attack enemy soldiers. Learn more about the work these dogs do in **Military Dogs** a title in the Dogs with Jobs series. Each Dogs with Jobs title features easy to read text stunning visuals and a challenging educational activity. Dogs with Jobs is a series of AV2 media enhanced books. A unique book code printed on page 2 unlocks multimedia content. These books come alive with video audio weblinks slideshows activities hands on experiments and much more.
