[A Myanmar Miscellany: Selected Articles, 2007-2023](#) Andrew Selth, 2024-09-30. Andrew Selth has been watching Myanmar for 50 years. During this time, he has published 10 books and more than 400 other works about the country. In 2020, he released a collection of almost 100 articles that had been posted on the Lowy Institute's Interpreter website. This second anthology brings together another 72 articles written for a range of outlets between 2007 and 2023. This period saw the installation of a disciplined democracy under Aung San Suu Kyi, the 2021 military coup, and the country's descent into a bitter civil war. Many of the articles in the book deal with international relations and security issues, but there are also works on Myanmar's history, politics, and culture, as well as some personal reminiscences. Together, they make a unique contribution from an Old Myanmar Hand with wide-ranging interests and insights.

Ruth First and Joe Slovo in the War Against Apartheid Alan Wieder, 2013-07-01. Ruth First and Joe Slovo, husband and wife, were leaders of the war to end apartheid in South Africa. Communists, scholars, parents, and uncompromising militants, they were the perfect enemies for the white police state. Together, they were swept up in the growing resistance to apartheid, and together they experienced repression and exile. Their contributions to the liberation struggle, as individuals and as a couple, are undeniable. Ruth agitated tirelessly for the overthrow of apartheid, first in South Africa and then from abroad, and Joe directed much of the armed struggle carried out by the famous Umkhonto we Sizwe. Only one of them, however, would survive to see the fall of the old regime and the founding of a new democratic South Africa. This book, the first extended biography of Ruth First and Joe Slovo, is a remarkable account of one couple and the revolutionary moment in which they lived. Alan Wieder's deeply researched work draws on the usual primary and secondary sources, but also an extensive oral history that he has collected over many years. By weaving the documentary record together with personal interviews, Wieder portrays the complexities and contradictions of this extraordinary couple and their efforts to navigate a time of great tension, upheaval, and revolutionary
