Warning Revelation:

Warning! Revelation is about to be Fulfilled Larry W. Wilson, 2007 [Warning! Revelation - English](#) Larry Wilson, 1993-01-01 **Warning! Revelation - English** Larry W. Wilson, 1994-08 **The Prophetic Voice of God** Lana Vawser, 2018-10-16 Through easy to understand revelatory teaching and powerful prophetic examples Lana illustrates how God has created all believers to hear His voice in their own distinct way Hearing the Prophetic Voice of God will mentor you on how to listen to the Holy Spirit speaking especially to you [The BE Attitudes for Christians](#) Mary Ruth Whitley, 2018-02-06 The Be Attitudes for Christians has thirty two Christian attitudes that can be applied to many different situations in our lives beginning with BE BLESSED and ending with BE PREPARED This is a devotional a resource and could easily be used for research Studying biblical end times and prophecy has actually given me peace of mind about our world Jesus laid God s plan out for his disciples and revealed to John some prophetic events that will take place in the future There is no date given for God s final plan to occur but it will come to pass like all other prior prophecies described in the Bible God s message is available for anyone who wants to peruse it meditate on it study it be prepared and be blessed by it As a devotional prior to an election I created a Forty Day Fast and Prayer for Christians After sharing it with a woman she urged me to write more devotions using the same process and style That daily devotion was simply an Attitude a Thought and some Scriptures After several years of writing and praying about this I chose the acronym AIM A is the attitude I stands for the instruction and M is the relevant Scripture for memory or meditation All the Be Attitudes are developed around Scripture and allow the reader to be in God s Word By choice the meditation can be long or short When we AIM let the Word of God move us then His purpose will be accomplished **God's Mighty Warriors in the Last Days** Dr. Donald Bell, 2014-07-29 The mission of this book is to provide an understanding of these times by looking at biblical prophecy through twenty first century eyes This book is designed to reach out to Christians who sigh and groan over the ongoing abominations being committed in our country with the hope of raising up strong strategic leaders who will guide many to prepare for the challenging events that will precede the second coming of our Lord The book s contents provide us with an in depth study of the Book of Revelation designed to be a serious field guide to help prepare Christian warriors for the great tribulations which will precede the coming of the Lord Jesus Christ to restore His kingdom on Earth We are on the verge of devastating events that will create great fear and chaos throughout the world and especially in our comfort seeking nation We are no longer free to play the role of civilians for dark times are coming which will open up opportunities to be a strong light for the Kingdom of God in the midst of growing darkness Those who hear the call and seriously prepare will be among the warrior spirited Christians who will be the Lord s anointed witnesses during the great tribulation **Restoring Lost Truths** Donald Werner, 2016-02-29 The Book of the Revelation tells us that Satan deceives the whole world and causes them to wonder after the Beast follow his teachings and that s happening today What are those teachings that have deceived the whole world

Surprising enough those false teachings are coming from within the church which left its Apostolic Hebrew Roots This Book will shock amaze and bless you It will reveal to you critical Biblical truths that were lost or perverted over the centuries These lost truths have caused some of the churches core doctrines to no longer be in harmony with the Scriptures Those that are deceived by the false teachings revealed in this book are unknowingly on the Broad Way leading to destruction they have accepted a false God and a false Gospel What is revealed in the book is staggering you will wonder how could this happen Then you will ask yourself Could I be deceived This book will challenge your beliefs and your understanding of God The Holy Qur-án Muhammad Ali,1920 Warning!
