**Life'S Lessons** Austin Edeki,2015-05-06 Life is a journey and within the journey there is a race and in the race there are lanes Every man has his lane where he runs his race If you run your race on someone else's lane he determines how much you are paid how you spend your time and when you spend it Everyone has an arrival time that is unique to their race My arrival time may not be your arrival time but that doesn't mean I won't arrive We are all wired differently You may be wired to kill Goliath but I am wired to build the temple You may be wired to be the next king but I am wired to anoint the king for endorsement Every destiny on the face of the earth is important and there is a connection You will learn the following what the journey is all about and how to recognize it the race of life and how to recognize when you're running on someone else's lane how to switch to your lane and run your race successfully who the master over your life is and how to exit the wrong master how to discern moments and seasons how to understand and recognize the spirit of Eli how to make choices and stay committed to them how to maximize the spoon you were born with and how to use it to your benefit in the marketplace how to create an environment of success
