Sustainable Event Management Meegan Jones, 2025-04-03 Written by a leader in event sustainability management this book is a practical step by step guide taking readers through the key aspects of how to identify evaluate and manage event sustainability issues and impacts and to use the event for good events of any style and scale anywhere in the world Each year events of every shape and size are held globally from community events school fairs and local business functions through to the largest festivals music concerts conferences and sporting events As well as encouraging celebration and giving voice to issues these public parties can use up resources send out emissions and generate mountains of waste But events also have the power to showcase sustainability in action and every sustainably produced event can inspire and motivate others to action Thoroughly updated in its fourth edition this book reflects what event sustainability best practice looks like in this new era of the discipline circular and net zero reusables and renewable energy climate conscious catering stakeholders expect it and the solutions now exist The new edition also features additional case studies and an updated look at greenhouse gas emissions measurement providing readers with practical guidance on how to manage events responsibly This is the indispensable one stop guide for event professionals and event management students who want to keep up with industry best practices and who need a powerful easy to use collection of tools to deliver events sustainably **Festival & Special Event Management, Essentials Edition** Johnny Allen, Robert Harris, Leo Jago, 2022-05-23 Allen s Festival and Special Event Management Essentials Edition serves as a concise yet comprehensive step by step handbook for modern event management

This Essentials edition gives students contemporary lessons and insights that they can relate to. It brings theory to life through copious practical examples, illustrative diagrams, and unique case studies demonstrating best practices and pitfalls. Industry experts from across APAC's event planning sector have contributed content to key contemporary topics including sustainability, risk management, project management, and strategic alignment to client goals. This edition also features Wiley's Future Student Guide, a unique tool which provides expert and practical advice on career preparedness, making for more future-ready graduates.

Venice in 3 Days: A Practical Guide for First-Time Visitors - Edition 2026 Erich, 2026-02-09

Venice in 3 Days: A Practical Guide for First Time Visitors. Discover Venice the right way with clarity, depth, and confidence. Venice in 3 Days is a comprehensive, thoughtfully structured travel guide designed for first-time visitors who want more than a rushed checklist of attractions. This ebook offers a complete three-day Venice itinerary that balances must-see landmarks with cultural insight, historical context, and practical travel advice without overwhelming you. Unlike typical Venice guidebooks, this book goes beyond surface-level sightseeing. It explains why Venice looks and works the way it does, helping you understand the city's unique history, architecture, waterways, and daily life as you explore it on foot and by vaporetto.

What You'll Find Inside: A carefully planned 3-day Venice itinerary optimized for walking and public water transport. In-depth coverage of major sights including St Mark's Square, St Mark's Basilica, Doge's Palace, the Grand Canal, Rialto Bridge, and Market, and historic neighborhoods like Cannaregio and Castello. Detailed explanations of Venice's political history, maritime empire, art, and trade networks. Practical advice on getting around Venice, avoiding common tourist mistakes, and managing crowds. Insight into Venetian food culture, markets, bacari, wine bars, and local traditions. Guidance on when to visit Venice, where to stay, and how to experience the city respectfully.

Who This Book Is For: This travel guide is ideal for first-time visitors to Venice, independent travelers planning a short stay, readers looking for a realistic, well-paced Venice travel plan, travelers who want historical and cultural context without academic jargon, whether you're planning a weekend trip, a short European itinerary, or your first visit to Italy. Venice in 3 Days helps you experience Venice as a living city, not just a postcard destination.

Why This Guide Is Different: Most Venice travel guides focus on lists. This book focuses on understanding. Each day is organized around themes: origins, power, art, daily life, so that every walk through Venice feels connected and meaningful. You'll see fewer places more deeply, making your time in Venice richer and less exhausting. If you want a clear, practical, and immersive Venice travel guide, this book is your essential companion. Start your journey through Venice, one neighborhood, one canal, and one story at a time.

Events Management Glenn A. J. Bowdin, Johnny Allen, Rob Harris, Leo Jago, William O'Toole, Ian McDonnell, 2023-07-31

A must-have introductory text of unrivalled coverage and depth focusing on events planning and management. The fourth edition of Events Management provides a complete A to Z of the principles and practices of planning, managing, and staging events. The book offers a systematic guide to organising successful events, examining areas such as event design, logistics, marketing, human resource management, financial planning, risk management,

impacts evaluation and reporting The fourth edition has been fully updated and revised to include content covering technology including virtual and hybrid events concepts such as social capital soft power and events social inclusion equality accessibility and diversity and the latest industry reports research and legal frameworks The book is logically structured and features new case studies showing real life applications and highlighting issues with planning events of all types and scales in a range of geographical locations This book has been dubbed the events management bible and fosters an interactive learning experience amongst scholars of events management tourism and hospitality [The Green Host Effect](#) James E.
