## **Talent Is Not Enough:**

**Talent Is Never Enough** John C. Maxwell, 2007-04-01 It's what you add to your talent that makes the greatest difference. With authentic examples and time-tested wisdom, Maxwell shares thirteen attributes you need to maximize your potential and live the life of your dreams. New York Times best-selling author John C. Maxwell has a message for today's corporate culture fixated on talent above all else: It's not enough just to be talented. You have to learn how to use that talent. Some talented people reach their full potential, while others self-destruct or remain trapped in mediocrity. What makes the difference? Maxwell, the go-to guru for business professionals across the globe, insists that the choices people make, not merely the skills they inherit, propel them onto greatness. Among other truths, successful people know that Belief lifts your talent, Initiative activates your talent, Focus directs your talent, Preparation positions your talent, Practice sharpens your talent, Perseverance sustains your talent, and Character protects your talent, and more. You can have talent alone and fall short of your potential. Or you can have talent plus and really stand out.

**Discomfortable** A.J. Bond, 2021-09-07 The go-to guide to understand and unpack shame, what it is, why we feel it, and how to undo the lies it tells us about ourselves. Are you ready to get Discomfortable? This is a book about shame, what it is, why we have it, and how we can break its hold on our happiness. We all know shame; it's that feeling that tells us that somehow who we are is inherently wrong. It's more than embarrassment or regret; it shakes us to the core. And most of all, it tells us that we need to feel and act differently in order to be seen, loved, and accepted. Author and shame-ed coach AJ Bond takes us through his own shame breakthrough, sharing how he went from "I'd rather die than be gay" to uncovering and reclaiming his inherent wholeness and worth. With unexpected humor, warmth, and candid personal stories, Bond shows readers why shame shows up, the trauma, fixed mindsets, and messaging that give it a foothold. How does shame trick you into believing there's something wrong with you, even when you're perfectly right? The evolutionary reasons we humans developed a sense of shame and why it doesn't serve us today. How to manage and deprogram shame through connection, gratitude, and

empowered choice How we can re parent ourselves be fully seen and feel fully loved Bond shines a light on this feeling that doesn't want to be seen heard or named and invites us to bring our own shame into the open and release it to reclaim and reframe our lives in a powerful new way
