

The Moustache

Jennifer Evans, Alun Withey

The Moustache:

The Moustache Grower's Guide Lucien Edwards,2011-03-25 All the info and instructions for shaving and maintaining an array of classic and modern moustache styles plus fashion advice to complete the look Whether it s a Handlebar a Fu Manchu or a Laser Loop this illustrated guide will help men everywhere achieve the moustache of their dreams Included are instructions for how to grow groom and maintain thirty classic and modern moustaches as well as fashion advice on how to rock each look Outdoorsy types can go wild with the Lumberjack and some flannel while those aspiring to steampunk style should dress up the Aeronaut with a tuxedo or nautical gear For a dash of hipster irony the Crustache or the Pyramid looks sharp with skinny jeans and glasses With tons of illustrations and exclusive tips from professional competitors The Moustache Grower s Guide will add major style to any stache It s safe to say that there isn t a more definitive tome dedicated to those who groom their whiskers This book has a grooming solution for every lifestyle age and level of irony Out magazine *New Perspectives on the History of Facial Hair* Jennifer Evans,Alun Withey,2018-03-02 This volume brings together a range of scholars from diverse disciplinary backgrounds to re examine the histories of facial hair and its place in discussions of gender the military travel and art amongst others Chapters in the first section of the collection explore the intricate history of beard wearing and shaving including facial hair fashions in long historical perspective and the depiction of beards in portraiture Section Two explores the shifting meanings of the moustache both as a manly symbol in the nineteenth century and also as the focus of the material culture of personal grooming The final section of the collection charts the often complex relationship between men women and facial hair It explores how women used facial hair to appropriate masculine identity and how women s own hair was read as a sign of excessive and illicit sexuality [Comic Mythology](#) Premyogi vajra,2024-02-26 Spiritual satire is nothing new There are many satirical verses in Vedas Puranas and other Sanatan based scriptures which despite being full of spiritual knowledge also provide high level entertainment Similarly in our ancient theatre style Kariyala there used to be many satirical skits on spirituality Even today Kariyala is prevalent especially among the hill cultures In Kariyala some acrobats type actors would come in the satirical guise of a sage while others would come in the guise of a guru disciple The audience used to hold their belly while laughing We have seen many Kariyalas in our childhood and have also got them done at home It continued throughout the night There was no trace of sleep and it was hard to realize when the night passed with laughter This allowed two tasks to be performed simultaneously People were thoroughly entertained and their spiritual knowledge and outlook also imoroved The names of the people in it also used to be sarcastic like Ridku Ram Jado Devi etc Kariyalachi used to spread fun and freshness all around by dancing and singing satirical songs in a satirical style to the beat of real drums along with beating none real drums as ruptured tin containers dung baskets etc laughable things those even wearing dress made up of torn empty jute bags etc and showing many more satiric tricks like this while always keeping themselves in a balanced and neutral way from inside otherwise religious sentiments of public could have

been hurt No one felt bad about the social jokes made on spirituality or religion This is a good example of tolerance and universality of Sanatan Dharma Children and unfaithful people used to get good spiritual lessons unknowingly with entertainment in this way It is also a psychological fact that something learnt with entertainment is more attractive and productive I don t see anything wrong in this if the purpose behind doing this is only to promote knowledge and entertainment with sociality respect and faith and not to spread an agenda full of hatred Today the world should take lessons from such cultural art styles and try to popularize them by promoting them so that the rapidly increasing religious fanaticism and intolerance can be controlled and the entire human race can be protected This short book is a small attempt to easily understand the core essence of spirituality in a humorous style It would not be an exaggeration to call this book an ocean in a pitcher

Writing Through the Body. Iraqi Responses to the War on Terror Hanan Jasim Khammas,2023-12-21 The 2003 Iraq invasion provoked an unprecedented phenomenon in the Iraqi literary scene fiction exceeds poetry in production critical reception and market figures New narrative genres concerned with stories of wars and trauma depict corporeality and sexuality in their most material sense Writing Through the Body argues that interest in the physical indicates a new perception of corporeality and to show this it traces a genealogy of the Iraqi body to uncover the complexity of its historical and socio political discourses Considering religious social and political factors the body is examined in three semiospheres Iraqi society and culture before 2003 the discourse of the war on terror as a semiotic interference and contemporary Iraqi fiction as the result of the encounter between the two This structure shows how corporeality was interrupted by and instrumentalised in war propaganda and how new representations in fiction respond to the two spheres in conflict

Zad Al-Ma'ad - Provisions Of The Afterlife Which Lie Within Prophetic Guidance Ibn Qayyim Al-Jawziyya,2010-01-01

Beauty around the World Erin Kenny,Elizabeth Gackstetter Nichols,2017-06-22 Taking the concept of beauty seriously this encyclopedia examines how humanity has sought and continues to seek what is beautiful in a variety of cultural contexts giving readers an understanding of how to look at beauty both intellectually and critically Is beauty ever more than skin deep Arguably yes considering that the concept of beauty and the pursuit of it has shaped cultures worldwide across every time period and has even served to change the course of history Studying beauty practices yields insight into social status wealth political ideology religious doctrine and gender expectations including gender nonconformity A truly interdisciplinary text Beauty around the World A Cultural Encyclopedia presents an insightful perspective on beauty that draws from philosophy literature sociology anthropology psychology and feminist studies giving readers a unique view of world beauty practices This volume offers information about beauty practices from the past to the present in alphabetical entries that address terms and topics such as beards dreadlocks Geisha moko tattoos and progressive muscularity Readers will better comprehend how beauty shapes many social interactions in profound ways worldwide and that the unspoken social agreements that shape ideals of attractiveness and desirability within any given culture can matter very much The encyclopedia s entries challenge

readers to consider the questions What is beauty and Why does it matter A comprehensive bibliography is a valuable resource for further research
