The Coaching Life:

Coaching Life Chris M. Stewart,2018-12-20 This book is about the coaching life and it is about coaching life These are two different things but in many ways they are the same thing The coaching life is about loving people Coaching is about people not games not business projects not organizations or any other abstract thing If there were no people there would be no coaching We are all coaches Every person in this life has someone else who looks to them from time to time for guidance and inspiration This book will help you to be the best coach you can be whenever someone in your life is in need of a coach The coaching life is not just about sports it is about coming along beside someone else and inspiring them to press beyond their current circumstances in order to become whom they are truly meant to be in life There is a little bit of something for everyone in this book It is not just for those who are coaches or in positions of leadership but it is for the common person who is no longer satisfied with the common Every chapter has a unique way of challenging you to be the best version of yourself

A Coaching Life Matt Kramer,Randy Montgomery,2023-02-21 In a sea of leadership and coaching books that are written by coaches in professional and collegiate sports A Coaching Life offers the perspective of two high school coaches writing specifically for the millions of people out there leading youth and high school programs today Just as they did in their first book *The Best Laid Plans of a High School Basketball CEO* Randy Montgomery a newly retired 600 win Ohio Hall of Fame coach and Matt Kramer a 200 win coach who has recently developed 6 high level Division 1 college basketball players present an array of tried and true leadership and coaching ideas throughout the course of the text However the aspect of A Coaching Life that makes it a compelling read for a wider audience is the stories woven into the fabric of those shared leadership ideas showing how sometimes they lead to sell out crowds euphoric championship celebrations and the coach receiving the key to the city other times candidly admitting that those same ideas ended in empty bleachers sleepless nights and the athletic director collecting the coach s keys to the gym In both cases and every case in between A Coaching Life offers an authentic narrative that will reveal the true value of a career in leading young people
