The Comintern In Mexico:

The Comintern in Mexico Donald L. Herman, 1974 **Stumbling Its Way Through Mexico** Daniela Spenser, 2011-07-15 Based on documents found principally in the Soviet archives recently opened to the public *Stumbling Its Way through Mexico* is an invitation to rethink the history of Communism in Mexico and Latin America *The Comintern and the Global South* Anne Garland Mahler, Paolo Capuzzo, 2022-12-30 *The Comintern and the Global South* Global Designs Local Encounters studies the relations and productive tensions between the Third International intellectual histories of racial justice and anti imperialism as well as other forms of internationalism Building on extant institutional histories of the Third International it moves in new directions by focusing on the points of intersection often conflictual and short lived with anti imperialist anti racist and nationalist organizing making the Third International a site of encounter between a global political project and more local and regional contexts Due to the broad range of geographic and linguistic expertise of the contributors this book traces routes of exchange that are often elided in existing studies of the Third International The chapters address how actors from Global South contexts shaped key debates on for example the role of Black Indigenous and migrant labor the Islamic question and the peasant question which challenged Bolshevik epistemological frameworks All such questions involved political subjectivities that the Comintern tried to reductively frame within a global revolution driven by Moscow resulting in the Comintern s ultimate disintegration Nevertheless this juncture between the Comintern s global designs and its local encounters left a significant legacy that would later be reconfigured in mid century anticolonial movements *THE COMINTERN AND THE DEVELOPMENT OF COMMUNISM IN MEXICO*. DONALD LOUIS HERMAN, 1964 *Latin America and the Comintern, 1919-1943* Manuel Caballero, 2002-06-06 A study of Latin American participation in the Third communist International *Communism in Mexico, 1919-1940* Charles James Stephens, 1963 Research on the American Republics, Excluding the United States, Completed and in Progress United States. Department of State. External Research Division, 1964 **Transnational Communism across the Americas** Marc Becker, Margaret Power, Tony Wood, Jacob A. Zumoff, 2023-07-04 *Transnational Communism across the Americas* offers an innovative approach to the study of Latin American communism It convincingly illustrates that communist parties were both deeply rooted in their own local realities and maintained significant relationships with other communists across the region and around the world The essays in this collection use a transnational lens to examine the relationships of the region s communist parties with each other their international counterparts and non communist groups dedicated to anti imperialism women s rights and other causes Topics include the shifting relationship between Mexican communists and the Comintern Black migrant workers in the Caribbean race relations in Cuba Latin American communists in the USSR Lu s Carlos Prestes in Brazil the U S and Puerto Rican communist and Nationalist parties peace activist networks in Latin America communist women in Guatemala transnational student groups and guerrillas in El Salvador Contributors Marc Becker Jacob Blanc Tanya Harmer Patricia

Harms Lazar JEIFETS Victor JEIFETS Adriana Petra Margaret M Power Frances Peace Sullivan Tony Wood Kevin A Young and Jacob Zumoff *M.N. Roy and the Comintern* John Patrick Haithcox, 1959 The Communist International, 1938 *The Communist International Between the Fifth & the Sixth World Congresses, 1924-8* Communist International, 1928 **The Role of the Third International (Comintern and Cominform) in Latin America, 1935-1951** Alice Margherite Fracaro, 1952 *The Second Congress of the Communist International* Communist International. Congress, 1921 The Communist International, 1919-1943 Communist International, 1971 **The 2nd Congress of the Communist International** Communist International. 2nd Congress, Petrograd and Moscow, 1920, 1920 **Marxism & Communism in Twentieth-century Mexico** Barry Carr, 1992 In spite of the significance of the Mexican political left which has surged in recent years little information has been available to English language readers In this important book Barry Carr describes the Mexican leftist movement s attempts to come to grips with the Mexican Revolution of 1910 20 and the ruling party that resulted and its own efforts to radicalize and organize Mexican workers Carr offers intriguing new material on the Mexican Communist party s international relations especially with its counterpart in the United States and on the Mexican background to the assassination of Leon Trotsky in 1940 He also examines the non Communist left as it has emerged since 1960 Based on archival sources *Marxism and Communism in Twentieth Century Mexico* is the first study of the entire spectrum of the Mexican left to appear in any language **The Real Secret War** J. Michael Waller, Steve Baldwin, L. Francis Bouchee, 1987 The not so secret effort by the United States to aid Nicaraguans fighting the Sandinista government has been labeled by its detractors as President Reagan s secret war Without a doubt this effort has been the most highly publicized and most closely scrutinized secret in American history Debate surrounding this issue has been framed so as to create the public perception that the United States is waging a proxy war by paid mercenaries against a small Central American regime which it simply does not like The real secret war is quite different Silent and highly organized the real secret war is political in nature an internationally coordinated political campaign aimed at protecting and preserving the Sandinista regime from its opposition and from the United States Sandinista political warfare in the United States is a phenomenon which has been going on for a decade but few political leaders scholars or journalists have consciously taken notes of its progress Beginning as an outgrowth of the Hanoi lobby which had celebrated a hard won victory when the Communists overran Southeast Asia the Sandinista revolution lobby has played a major role in shaping the national debate on U S policy toward Nicaragua An in depth analysis of the machinery of this political warfare campaign how it works and how it has influenced Congress is the contexts of *The Real Secret War* back cover **World Affairs Report** California Institute of International Studies, 1975 *The Capitalist World and the Communist International* Communist International. Congress, 1920 **Friends Or Foes?** Norman E. Saul, 2006 *With Friends or Foes* Norman Saul continues his monumental multivolume magnum opus on U S Russian relations over the course of 200 years This fourth volume provides the first comprehensive study in any language of

an era that shaped the rest of the century and captures the major changes in relations between two nations on the verge of becoming dominant global powers Among other things Saul examines the rationale for America's failure to recognize the Soviet government through the early 1930s analyzing the impact of the Red Scare and the roles of the State Department Russian migr's religious groups and key individuals like Charles Evans Hughes Robert Kelley Herbert Hoover Boris Skvirsky Olga Kameneva and Maxim Litvinov on the policy process In addition he recalls the American Relief Administration's gigantic effort to help Russian peasants and garners new material from American business records on concession arrangements and commerce and on Soviet responses during the first Five Year Plan He also records travelers impressions cultural exchange and the role of academia in each country particularly the contribution of Russian migr scholars to American education and the contributions of American journalists in Russia Saul also reveals the tendency on both sides to preserve an atmosphere of secrecy conducting business behind closed doors and rarely on paper His prodigious research in the Hoover Presidential Library the Franklin Roosevelt Library and the Hoover Institution at Stanford University incorporating overlooked Diplomat Post Records and featuring an interview with George Kennan on his diplomatic role has yielded a wealth of new insights into what really happened during a period in the history of the relations between the two countries that remains mysterious and controversial Breaking new ground in diplomatic economic social and cultural history Saul's book illuminates both the mutual fascination that briefly permitted peaceful coexistence and eventual alliance and the ideological battles that ultimately led to the Cold War
