Scott Duvall, 2014-04-01 One of the keys to enjoying an in depth and rewarding experience of reading the Bible is recapturing the ancient world its cultures customs and histories With this innovative guide readers can enrich their study with fascinating insights into the Bible and the world in which it was written The Baker Illustrated Bible Handbook offers the most up to date evangelical biblical scholarship in a format that is readable and easy to understand This book by book guide brings the Bible to life with more than 1 100 full color pages packed with illustrations maps and photos and 112 in depth articles on a wide range of topics important to students of the Bible Readers will discover how each part of the Bible fits into and informs every other part giving them a cohesive understanding of God's Word No reference collection will be complete without this incredible new handbook to the Bible **The Baker Illustrated Guide to Everyday Life in Bible Times** John A. Beck, 2013-09-15 The authors of the Bible routinely employed mention of manners and customs from the ancient world in their inspired writing fully intending that the Lord would change readers with these images But modern readers often miss the full literal and figurative meaning of biblical imagery due to the distance in time and experience between the world of today and the world of the Bible This fully illustrated guide aims to restore clarity and vitality to these portions of God's Word in order to help readers grasp the full meaning of Scripture For example the entry on anointing defines the nature of this act and the connotations associated with it before illustrating how the biblical authors use the act of anointing in their communication with us communication that reaches its full maturity in Jesus the Anointed One Understanding manners and customs like anointing enriches our experience of reading the Bible and even helps us correctly interpret it This colorful guide clearly and succinctly introduces modern readers to daily life in Bible times The cultural practices of the past are fascinating on their own but even more so as they help us grasp the full meaning of Scripture **New Century Reference Library of the World's Most Important Knowledge** ,1909 *A Guide to Biblical Commentaries and Reference Works* John F.
