The European Union How Democratic Is It

Andriy Tyushka, Tobias Schumacher

The European Union How Democratic Is It:

The European Union: How Democratic Is It? Svein S Andersen, Kjell A Eliassen, 1995-12-05 Taking as its starting point the major issues of democracy which are the ongoing concerns of every liberal Western political system this volume offers a wide ranging review of democracy in the European Union It treats the EU as a new type of political system within the tradition of parliamentary democracies a system which is neither federal nor intergovernmental and which consequently has unique problems of how to handle democratic requirements Part One deals with the two major challenges of interest articulation in the EU political parties and lobbying The second part discusses how democracy becomes the key element in the linkage between the EU and its member states focusing on France Italy and Belgium where the relation to the EU constitutes an important part of the national democratic debate The third part focuses on democratic aspects of key EU institutions the European Council the European Commission and the European Parliament The final part looks at democracy in relation to possible EU development generally and in the context of societal change which may tend to undermine the role of parliamentary institutions

Debating the Democratic Legitimacy of the European Union Beate Kohler-Koch, Berthold Rittberger, 2007-04-18 The discussion about a constitution for the European Union and its rejection by referendum in two of the EU founding member states has once again spurred public and scholarly interest in the democratic quality and potential of the European Union Debating the Democratic Legitimacy of the European Union brings together distinguished thinkers from law political science sociology and political philosophy to explore the potential for democratically legitimate governance in the European Union Drawing on different theoretical perspectives and strands from democratic theory this volume is the first of its kind to overcome the present state of fragmentation in the debate about the conditions and possible remedies for what is often called the democratic deficit of the European Union Among the pressing questions addressed by the contributors are What future is there for parliamentary democracy in the European Union Can we observe the evolution of a European public sphere and civil society Can participatory democracy or deliberative democracy pave the road for a democratically legitimate European Union Conversations about democracy have engaged the public in a new way since the beginning of the Iraq war and this volume is the best resource for students and readers who are interested in democracy in the European Union Contributions by Rudy B Andeweg Katrin Auel Arthur Benz Lars Erik Cederman Damian Chalmers Deirdre Curtin Donatella Della Porta Klaus Eder Erik O Eriksen Ulrich Haltern Hubert Heinelt Doug Imig Christian Joerges Beate Kohler Koch Christopher Lord Paul Magnette Andreas Maurer Jeremy Richardson Berthold Rittberger Rainer Schmalz Bruns Michael Th Greven Hans J rg Trezn and Armin von Bogdandy

Political Representation and Legitimacy in the European Union Hermann Schmitt, J. J. A. Thomassen, 1999 How severe a problem is what many call the democratic deficit of the European Union Despite a voluminous theoretical literature dealing with this question there is hardly any systematic empirical investigation of the effectiveness of the system of political representation in the EU and of the legitimacy beliefs of

EU citizens that spring from it This volume elaborates a conceptual framework for the empirical analysis of the alleged democratic deficit Four dimensions of legitimacy beliefs are identified and analysed the European political community the scope of EU government the institutions and processes of EU government and EU policies Based upon large scale representative surveys among the mass publics and different strata of the political elite of the EU and its member states the book examines the conditions of political representation in the EU The results demonstrate by and large that legitimacy beliefs of EU citizens are the more positive the less specific the object of identification and evaluations is and that the process of political representation works pretty well as long as issues other than European Union issues are concerned These findings are finally discussed in view of familiar strategies for institutional reform of the European Union

Democracy and the European Union Andreas Follesdal, Peter Koslowski, 1998 The European Union is a new subject for theories of legitimacy posing fundamental questions to the established concepts and principles of democratic theory General compliance and popular acceptance and respect for European law is at stake The volume addresses the main challenges of the European Union to democratic theory The legitimacy of such transnational institutions born by political integration has so far received some but scant attention The mere existence of the Union proves that the sovereign state cannot remain the sole focus of normative reflection Indeed the very conception of sovereignty is at stake The present volume combines political science and normative political theory to offer concepts arguments and criteria that further these debates addressing problems of principle

Democracy in the European Union Alex Warleigh, 2003-04-21 This book comprehensively reviews one of the most salient ongoing debates at the heart of the European Union EU today democratic reform

Democracy and the European Union Andreas Follesdal, Peter Koslowski, 2013-11-11 The European Union is a new subject for theories of legitimacy posing fundamental questions to the established concepts and principles of democratic theory General compliance and popular acceptance and respect for European law is at stake The volume addresses the main challenges of the European Union to democratic theory The legitimacy of such transnational institutions born by political integration has so far received some but scant attention The mere existence of the Union proves that the sovereign state cannot remain the sole focus of normative reflection Indeed the very conception of sovereignty is at stake The present volume combines political science and normative political theory to offer concepts arguments and criteria that further these debates addressing problems of principle

The European Union in the 21st Century Nikolaos Zahariadis, 2023-08-24 The European Union in the 21st Century takes a fresh look at a complex and ever changing organization by examining its pursuit of two very different objectives power security and political weight and plenty economic growth and social welfare Nikolaos Zahariadis aims to help students understand these two objectives and how the tension between them affects different issue areas illuminating how each objective represents a different perspective on what the EU is and what it does The book also introduces students to the systematic thinking that political scientists employ to see the connections between policies institutions and actors By

unpacking the various perspectives students will gain greater insight into how policymakers think and why EU leaders make the kinds of decisions they do

How to Democratize the European Union-- and why Bother? Philippe C. Schmitter, 2000 A contradictory creation indeed the European Union has most of the institutions of a modern democracy yet it does not function as one Moreover its growing scope of activity and supranational decision making processes are undermining the legitimacy of democracy in its member states Much has been written about this double democratic deficit but surprisingly little thought has been given to what to do about it short of drafting and ratifying a new federal constitution In this provocative book Philippe C Schmitter explores both the possibility and the desirability of democratizing the EU He argues that as a non state and a non nation it will have to invent new forms of citizenship representation and decisionmaking if it is ever to democratize itself The author also contends that the timing and political context work against a full scale constitutionalization of the process He proposes a number of modest and some less modest reforms that could improve the situation in the near future and eventually lead to a genuine Euro democracy

The European Union and the Asia-Pacific Natalia Chaban, Martin Holland, 2008-05-22 Identifies measures and compares public awareness and perceptions of the EU within the Asia Pacific region and deals with the public perception of the EU outside the Union and the role of the media in shaping such perceptions

The European Union and Its Eastern Neighbourhood Andriy Tyushka, Tobias Schumacher, 2021-11-29 This edited volume brings together some of the most important scholarly perspectives in the form of both journal article reprints and original contributions on the structure and dynamics of the EU's multi layered relations with its Eastern neighbours within the Eastern Partnership EaP framework and beyond In May 2019 the EU's EaP an ambitious and sophisticated policy framework conjoining elements of cooperation and integration with the EU's six eastern neighbours i e Ukraine Belarus Moldova Georgia Armenia and Azerbaijan turned ten years This anniversary in conjunction with repeatedly voiced critique by scholars and policy makers alike regarding the framework's effectiveness and utility led the EU to submit the EaP to a fundamental auditing and revision Structured around both enduring and emerging issues in the broader EU Eastern neighbourhood framework this book provides a retrospective analysis of key structural and relational challenges unfolding regional dynamics distinctive forms of bilateral multilateral engagement whilst also offering a critical perspective on the contested future relations between the EU and its Eastern neighbours Looking backwards and providing a critical and thorough assessment of the first ten years of the EaP in practice this book thinks forward and gauges its many potential future avenues This comes at a crucial moment as the EU and its six Eastern neighbours are in search of new and mutually acceptable forms of association

The Dynamics of Powers in the European Union Christina Eckes, Päivi Leino-Sandberg, Anna W Ghavanini, 2024-09-19 Separation of powers is the time tested touchstone of the legitimate exercise of power in modern democracies This collection examines decision making in the EU's multilayered and polycentric constitutional structure through this lens The focus on separation of powers reveals how strong executive powers collaborate

in the EU as a single source of public power which is not sufficiently counterbalanced by parliaments or the judiciary The collection explores 3 policy fields marked by crisis the economic and monetary union EMU migration and trade Drawing on expertise from across these sectors with a strong conceptual thread linking all the contributions this important work illustrates how different branches of government co determine each others powers

The European Ombudsman and Good Administration in the European Union Nikos Vogiatzis,2017-10-01 This book explores the work of the European Ombudsman and her or his contribution to holding the EU institutions bodies offices and agencies to account through examination of complaints on maladministration own initiative inquiries and other proactive efforts It considers the Ombudsman s current institutional and constitutional position and her or his method of dealing with complaints and unravels the depth of subject matters that fall under the Ombudsman s remit A separate chapter focuses on transparency and access to documents The last part of the book critically reflects upon the present mandate and practice of the Ombudsman and discusses a number of possible proposals for improvement This work has interdisciplinary appeal and will engage scholars in law political science and public administration as well as EU and national policy makers

The European Union and Central and Eastern Europe Dimitris Papadimitriou,Dorina Baltag,Neculai-Cristian Surubaru,2018-12-07 The role of the European Union EU in Central and Eastern European countries CEECs and its near abroad has attracted much scholarly attention over the past few years Notwithstanding the successes of the EU s eastwards enlargement the transformative power of the EU in the region has often been called into question both in terms of its depth and longevity This book addresses a number of key questions What determines EU performance in post communist Europe What are the conditions that influence it How does the projection of EU power differ between its enlargement policy and the European Neighbourhood policy To answer these questions this volume brings together a wide range of case studies based on different approaches and methods but with a single analytical focus on performance The book s coverage and focus will be of interest to academics practitioners and students interested in the EU CEECs pre and post enlargement studies and more widely to those interested in the international relations and the governance of wider Eastern Europe The chapters of this book were originally published as a special issue of East European Politics

Democratic Empowerment in the European Union David Levi-Faur,Frans van Waarden,2018 This book looks at democratic empowerment via institutional designs that extend the political rights of European citizens It focuses on three themes first the positive and negative effects of the European Union institutional design on the political rights of its citizens second challenges for democratic regimes across the world in the 21st century in the context of regionalism and globalization third the constraints of neoliberalism and capitalist markets on the ability of citizens to effectively achieve their political rights within the Union

European Democracy as Demoi-cracy Francis Cheneval,Sandra Lavenex,Frank Schimmelfennig,2017-10-02 Whereas democracy assumes a single demos or people demoi cracy refers to democratic government and governance in a polity constituted by separate peoples Since the European

Union consists of many demoi with different collective identities largely separate public spheres and a predominantly national political infrastructure demoi cracy is an appropriate standard for the analysis and evaluation of democracy in the EU In its vertical dimension demoi cracy is based on the equality and interaction of citizens and statespeoples representatives in the making of common policies Horizontally it seeks to balance equal transnational rights of citizens with national policy making autonomy This volume offers exemplary studies exploring the potential for and the workings of demoi cracy in the EU across a broad range of institutions and issues in both its vertical and horizontal dimensions In particular the contributions address the following questions Is demoi cracy relevant to citizen attitudes and public discourse on the EU s legitimacy How do national and supranational democratic institutions interact Do the EU s modes of governance such as regulation through agencies mutual recognition and the open method of coordination meet demoi cratic expectations This book was originally published as a special issue of the Journal of European Public Policy *Liberalism in the European Union* Lex Corijn,Thomas Krings,2004 **Democracy in the European Union** Erik Oddvar Eriksen,John Erik Fossum,2000 It is widely believed that the European Union suffers from a democratic deficit This then raises a fundamental question can democracy ever be applied to decision making bodies beyond the nation state How we conceive of democracy itself is essential to how we understand its deficit and this book with its impressive array of highly influential contributors presents a theoretical approach which enables us to think of democracy at a supra national level Bringing together the ideas of major thinkers such as Bellamy Habermas Joerges and Schlesinge Democracy in the European Union presents pioneering and original work on a key issue in contemporary politics With in depth analysis from high calibre writers this book is a unique contribution to debates about democracy and the European Union for all upper level undergraduate and graduate students of politics European studies democratic studies and international relations as well as professionals and policy makers

What's Wrong with the Europe Union and How to Fix It Simon Hix,2008-04-07 The European Union seems incapable of undertaking economic reforms and defining its place in the world Public apathy towards the EU is also increasing as citizens feel isolated from the institutions in Brussels and see no way to influence European level decisions Taking a diagnosis and cure approach to the EU s difficulties Simon Hix tackles these problems with distinct clarity and open mindedness What the EU needs Hix contends is more open political competition This would promote policy innovation foster coalitions across the institutions provide incentives for the media to cover developments in Brussels and enable citizens to identify who governs in the EU and to take sides in policy debates The EU is ready for this new challenge The institutional reforms since the 1980s have transformed the EU into a more competitive polity and political battles and coalitions are developing inside and between the European Parliament the Council and the Commission This emerging politics should be more central to the Brussels policy process with clearer coalitions and identifiable winners and losers at least in the short term The risks are low because the EU has multiple checks and balances Yet the potential benefits are high as more open

politics could enable the EU to overcome policy gridlock rebuild public support and reduce the democratic deficit This indispensable book will be of great interest to students of the European politics scholars policy makers and anyone concerned with the future of the European Union

Governing the European Union Simon Bromley, 2001-05-02 This book will enable students to distinguish between government and governance in considering what kind of political system characterizes the EU trace the evolution of the EU through its political and legal institutions to its contemporary processes and structures compare and contrast the changing roles of nation states and governance at the EU level examine major policy areas and evaluate new forms of politics and political culture in Europe consider the role of the European legal system the EU budget and questions of democracy enlargement and foreign and security policy apply the main theoretical debates surrounding the evolving form and nature of governance in the EU *Governing the European Union* will be an essential text for all students of the EU and European integration across politics and international studies and European studies provided by publisher

Democracy in the European Union Professor A J F Warleigh-Lack, 2003-03-18 This is a most welcome contribution to current discourses on democratising the European polity Warleigh's thought provoking analysis by drawing from a rich spectrum of normative theorizing and empirical sources produces sharp insights and a valuable reference tool for anyone interested in the governance and polity of Europe Dimitris N Chrysochoou University of Exeter Warleigh's theoretically sophisticated and empirically rich inquisition of the nature and evolution of democratic reform in the European Union will be an important addition to the literature This book is neither euro sceptic nor EU friendly It is a challenging call to all interested parties citizens and scholars to take seriously the question of investing EU institutions and procedures with more than just a surface veneer of democracy Jo Shaw Professor of European Law University of Manchester This book comprehensively reviews one of the most salient ongoing debates at the heart of the European Union EU today democratic reform It provides a thorough evaluation of how democracy might best be defined in the transnational context of the EU and explores the key strategies that have been deployed to enhance the Union's democracy from the Single European Act to the present day In considering why the strategies have been unsuccessful Alex Warleigh contends that the EU can only democratize itself by abandoning federalism and working towards a more participatory democracy based on flexibility and active European citizenship The book therefore advances important new ways in which the EU's democratic deficit problems might be addressed more effectively than in the past Marking a significant contribution to this key on going debate *Democracy in the European Union Theory Practice and Reform* will be essential reading for all students scholars and professionals seeking a deeper understanding of the nature of the EU and the reform challenges it faces into the twenty first century

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **The European Union How Democratic Is It**

In a world inundated with screens and the cacophony of immediate transmission, the profound power and mental resonance of verbal beauty frequently diminish into obscurity, eclipsed by the continuous barrage of noise and distractions. However, set within the lyrical pages of **The European Union How Democratic Is It**, a interesting perform of literary beauty that pulses with fresh emotions, lies an memorable trip waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that magical opus instructions readers on an emotional odyssey, gently revealing the latent potential and profound influence embedded within the complicated internet of language. Within the heart-wrenching expanse with this evocative analysis, we will embark upon an introspective exploration of the book is key styles, dissect their charming publishing fashion, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

The European Union How Democratic Is It Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The European Union How Democratic Is It free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The European Union How Democratic Is It free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for

instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The European Union How Democratic Is It free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The European Union How Democratic Is It. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The European Union How Democratic Is It any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The European Union How Democratic Is It Books

1. Where can I buy The European Union How Democratic Is It books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
