The Exploited Eden:

The exploited Eden Robert Jay Gangewere,1972 *Beyond the Numbers* Laurie Ann Mazur,2013-04-16 *Beyond the Numbers* presents a thought provoking series of essays by leading authorities on issues of population and consumption The essays both define the poles of debate and explore common ground beyond the polarized rhetoric Specific chapters consider each of the broad topics addressed at the International Conference on Population and Development held in September 1994 in Cairo Egypt The essays are supplemented by sidebars and short articles featuring more impassioned voices that highlight issues of interest not fully explored in the overviews As well as providing a sense of the difficulties involved in dealing with these issues the essays make clear that constructive action is possible Topics covered include the interrelationships between population economic growth consumption and development the history of population and family planning efforts gender equality and the empowerment of women reproductive rights reproductive health family planning health and mortality

The Maisky Diaries Gabriel Gorodetsky,2015-09-24 The terror and purges of Stalin s Russia in the 1930s discouraged Soviet officials from leaving documentary records let alone keeping personal diaries A remarkable exception is the unique diary assiduously kept by Ivan Maisky the Soviet ambassador to London between 1932 and 1943 This selection from Maisky s diary never before published in English grippingly documents Britain s drift to war during the 1930s appeasement in the Munich era negotiations leading to the signature of the Ribbentrop Molotov Pact Churchill s rise to power the German invasion of Russia and the intense debate over the opening of the second front Maisky was distinguished by his great sociability and access to the key players in British public life Among his range of regular contacts were politicians including Churchill Chamberlain Eden and Halifax press barons Beaverbrook ambassadors Joseph Kennedy intellectuals Keynes Sidney and Beatrice Webb writers George Bernard Shaw H G Wells and indeed royalty His diary further reveals the role personal rivalries within the Kremlin played in the formulation of Soviet policy at the time Scrupulously edited and checked against a vast range of Russian and Western archival evidence this extraordinary narrative diary offers a fascinating revision of the events surrounding the Second World War

The Complete Maisky Diaries Ivan Mikhailovich Maïskiï,2017-01-01 The complete diaries that Ivan Maisky Soviet ambassador to London kept between 1932 and 1943 Confiscated by Soviet authorities in the 1950s the diaries of Ivan Maisky the USSR s ambassador to Great Britain from 1932 to 1943 have been unearthed annotated and edited for publication in a three volume set that Niall Ferguson predicts will stand as one of the great achievements of twenty first century historical scholarship Maisky s revelations illuminate Soviet foreign policy in the years prior to and during World War II providing fascinating perspectives on London s political life and climate key figures and events and the Kremlin rivalries that influenced Soviet policy Volume 1 The Rise of Hitler and the Gathering Clouds of War 1932 1938 Volume 2 The Ribbentrop Molotov Pact and the Battle of Britain 1939 1940 Volume 3 The German Invasion of Russia and the Forging of the Grand Alliance 1941 19
