This book will show you how to stay on even when your circumstances seem to be off. It gives you proven steps to stay in the flow and out of the struggle. It provides you with a detailed Daily Renewal Program for your mind, emotions, and willpower to help you get unstuck by breaking free from old debilitating thought patterns. It challenges you to develop the Power of Personal Resiliency, map out a foolproof method to stay triumphant from the minute you wake up in the morning to when you are drifting off to sleep each night. It defines for you the tremendous benefits of the Mentor Principle, inspires you to live your Dream Purpose, and teaches you strategies to create breakthroughs to a higher level in every area of your life.

Going The Extra Mile Judith Williamson, 2022-10-25

If I had to choose but one of the seventeen principles of success and rest my chances on that principle alone, I would without hesitation choose going the extra mile because this is the principle through which one can make himself indispensable to others. This declaration alone should direct your attention to Judith Williamson's book *Going The Extra Mile*. The Do It Now Principle designed to put you on the road to success. You will gain a detailed understanding as to why developing the habit of consistently going the extra mile (GEM) promises to deliver more than you have actually contributed. The ideas in this book will make a huge difference in your life:

- 1 As you contribute more than is expected, others take notice.
- 2 You will stand apart from the rest.
- 3 You will gather higher levels of tangible and intangible compensation into your life.
- 4 You will develop your skill set at an exponential speed and volume from your competition.

Former Napoleon Hill Foundation executive and expert Judith Williamson details how to put this principle to work in various arenas of your life. Learn why the Do It Now principle can make an instant difference in your results. The three essential elements of GEM: Quality of service, quantity of service, and positive mental attitude. How the discovery of your mission contributes to GEM. Why it's essential to see the inherent value in work to GEM. How developing the habit of gratitude is both a cause and a result of GEM. And much more.

Extra Mile America: Stories of Inspiration, Possibility and Purpose Shawn Anderson, 2010-09-01

To symbolize the power of the go the extra mile message, Shawn Anderson pedaled a bicycle from ocean to ocean solo. Along the way, he interviewed over two hundred inspirational Americans who had demonstrated a remarkable ability to overcome personal setback and accomplish something extraordinary: A blind woman who climbed one of the world's tallest mountains, a triathlete who was born a congenital amputee, a 95-year-old who has been volunteering at the same hospital for 49 years, a corporate executive who gives away 82% of his company's profits. These are a few of the inspirational profiles highlighted in *Extra Mile America*. The stories in this book have the power to inspire your spirit, challenge you to reevaluate your own life setbacks, and motivate you to take a deep breath of courage in order to get back on your own metaphorical bike with a renewed passion and purpose.
