The Romantic Will:

Maladies of the Will Jennifer L. Fleissner, 2022-12-16 An examination of the nineteenth century American novel that argues for a new genealogy of the concept of the will What if the modern person were defined not by reason or sentiment as Enlightenment thinkers hoped but by will Western modernity rests on the ideal of the autonomous subject charting a path toward self determination Yet novelists have portrayed the will as prone to insufficiency or excess from indecision to obsession wild impulse to melancholic inertia Jennifer Fleissner s ambitious book shows how the novel s attention to the will s maladies enables an ongoing interrogation of modern premises from within *Maladies of the Will* reveals the nineteenth century American novel s relation to a wide ranging philosophical tradition highly relevant to our own tumultuous present In works from *Moby Dick* and *The Scarlet Letter* to Elizabeth Stoddard s *The Morgesons* and Charles W Chesnutt s *The Marrow of Tradition* the will s grandeur and its perversity emerge as it alternately aligns itself with and pits itself against a bigger Will whether of God the state society history or life itself Today when invocations of autonomy appear beside the medicalization of many behaviors and democracy s tenet of popular will has come into doubt *Maladies of the Will* provides a map to how we got here and how we might think these vital dilemmas anew

The Hopeless Romantic's Handbook

Gemma Townley, 2008-11-26 Knight wanted Must have shiny armor and own horse preferably white When it comes to romance are magic fireworks and a dashing knight in shining Armani really too much to ask Apparently so since Kate Hetherington has yet to find an appropriate mate in all of London Her lifelong friends and confirmed pragmatists Sally and Tom tease her endlessly about her hopeless romanticism But Kate knows that she s right to want her own fairy tale After stumbling upon an old tome titled *The Hopeless Romantic s Handbook* Kate decides to give its advice a whirl Incredibly the book lives up to its money back guarantee because before Kate can say Cinderella she meets Joe Rogers a drop dead gorgeous American actor Frankly he s perfect and Kate thinks she might have finally found The One He certainly has the muscles required to sweep her off her feet But Sal and Tom are less thrilled with Kate s dreamboat Are they just jealous or do they know something about love that isn t in Kate s handbook Kate s pretty sure that finding true love isn t supposed to alienate you from your friends but what she doesn t know is that her real knight is still waiting for her and he s closer than she ever imagined

Illumination

Christopher Alan Anderson, 2012-09-13 A metaphysical account as well as the author s own experience of illumination This writing is a step into the light of a procreative metaphysics as well as being the author s most autobiographical statement The Man and Woman Spiritual Center is only expressed in an actual touch between a man and a woman It cannot be expressed in any other way That touch may range from a momentary conscious recognition to a full embrace but a touch one to another it is The Spiritual Center is not expressed through belief pledge worship ritual or the paying of alms It is not

something that can be institutionalized dogmatized or ratified There isn't any prescribed path to take master to follow or status to attain for its expression There is only a man and a woman touching and expressing creation together Illumination

Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now
