

A tropical sunset scene with palm trees and a person in a hammock. The background is a warm orange and yellow gradient, suggesting a sunset over the ocean. Two palm trees are visible in the upper corners. In the center, a person is lying in a hammock, their silhouette dark against the bright background. The word 'SABBAT' is written in large, bold, white letters across the middle of the image.

The Science of Demons Jan Machielsen,2020-03-18 Witches ghosts fairies Premodern Europe was filled with strange creatures with the devil lurking behind them all But were his powers real Did his powers have limits Or were tales of the demonic all one grand illusion Physicians lawyers and theologians at different times and places answered these questions differently and disagreed bitterly The demonic took many forms in medieval and early modern Europe By examining individual authors from across the continent this book reveals the many purposes to which the devil could be put both during the late medieval fight against heresy and during the age of Reformations It explores what it was like to live with demons and how careers and identities were constructed out of battles against them or against those who granted them too much power Together contributors chart the history of the devil from his emergence during the 1300s as a threatening figure who made pacts with human allies and appeared bodily through to the comprehensive but controversial demonologies of the turn of the seventeenth century when European witch hunting entered its deadliest phase This book is essential reading for all students and researchers of the history of the supernatural in medieval and early modern Europe Luciferian Witchcraft - Book of the Serpent Michael Ford,2009-08-01 Second Edition completely revised and edited version now available Luciferian Witchcraft is a complete grimoire of Left Hand Path initiation Many books have been written of the so called left hand path very few actually were written by initiates Beginning with a lengthy exploration of the forms of the Adversary throughout history a foundation of ideology is given by identification with the Adversary The reader is then led through dark and twisting corridors with Four Chapters a complete system of the History of the Adversary and the Witchcraft associated with the Left Hand Path What is found within Luciferian Witchcraft is a Talismanic text which presents the medieval concepts of the Black Book being a conjuration itself of the Devil a complete initiatory system detailing High Ceremonial Magick The lore of the Adversary and ritualistic and forbidden sex magick Approach with caution you may open the gates of hell within *Prince of the City* Keith Herber,2024-02-20 The Price of Power At the height of the American Revolution Virginia aristocrat Vannevar Thomas fell victim to a rogue vampire The newly Embraced Vannevar was taken in by a secretive organization of vampires known as the Camarilla and sent to San Francisco in 1849 Here Vannevar found a newborn vibrant city ripe for the taking but other powers also cast covetous eyes on the growing town Ascending to rulership of San Francisco s undead Prince Vannevar soon finds himself beset by enemies Not only must the newly crowned Vannevar thwart the schemes of the mysterious Asian vampires known as the Family he must contend with treachery among his own ranks He is destined to learn that the price of power is steep indeed **A History of the Inquisition of Spain** Henry Charles Lea,1907 **A History of the Inquisition of Spain: Spheres of action (continued).
