The Sacred Yes Rev. Deborah L. Johnson, 2010-07-30 The voice of the Divine is as near to you as your own breath just ask That s what Reverend Deborah L Johnson did in 1995 In a moment of darkness there was nothing she could do but surrender Take me now oh Lord Almost instantly she heard whispers and they turned into more than 300 letters from Spirit Today she offers 50 of these epistles in *The Sacred Yes* the process of receiving these letters does not make me special in any way explains Rev Johnson whose nondenominational Inner Light Ministries is the spiritual community of more than 1500 people spirit is equally available to anyone and everyone We need only take the time to cultivate our spiritual abilities and to commune often with our sense of the Divine *The Sacred Yes* gives us first hand experience of the power and transformation available through direct communion with the Infinite Each letter carries a message that speaks to us individually yet provides a simple wisdom that serves the collective conscience The act of unconditional surrender to the unknown without reservation or hesitation is what transforms all circumstances into something that benefits all And according to Rev Deborah L Johnson it happens with one sacred word yes

more than to take us out with exhaustion and wasted time Caroline Barnett co pastor of The Dream Center and author of *Willing to Walk on Water* Saying yes to God is the most important decision you can make but it shouldn't stop there After beginning a relationship with Christ we must constantly say yes to His influence wisdom and power in our lives Your Sacred Yes will empower and equip you to say yes to a life of freedom fulfillment and significance Say yes Craig Groeschel senior pastor of LifeChurch tv and author of *From This Day Forward* Challenging us to carefully consider our sacred responsibilities Susie Larson uses her trademark transparent stories to compel us to rest more and to make the difficult decisions that will prioritize our relationship with God If you find yourself in the rat race of life Your Sacred Yes will give you the courage to slow down and say yes to the right things Pastor Nate and Jodi Ruch Emmanuel Christian Center This is such a timely book for all of us I am grateful that Susie said yes to writing these sacred truths This book will strengthen and empower all of us to follow the voice of God with more boldness and clarity Brady Boyd pastor of New Life Church and author of *Addicted to Busy*

In Love with Life Osho,2015-01-13 In his preface to *Ecce Homo* Friedrich Nietzsche says this With Thus Spoke Zarathustra I have given mankind the greatest present that has ever been made to it so far This book with a voice bridging centuries is not only the highest book there is the book that is truly characterized by the air of the heights the whole fact of man lies beneath it at a tremendous distance it is also the deepest born out of the innermost wealth of truth an inexhaustible well to which no pail descends without coming up again filled with gold and goodness Perhaps only a contemporary mystic like Osho could truly understand what Nietzsche meant by this statement In *Love with Life* shares Osho's understanding of both Nietzsche the man and of his seminal work with extraordinary clarity and relevance to readers in the 21st century Ten chapters have been selected from a series of 43 talks given by Osho first published as two volumes *Zarathustra A God that Can Dance* and *Zarathustra The Laughing Prophet* Here Nietzsche is rescued from any remaining taint brought on by the Nazi misunderstanding and appropriation of his work and we also learn much about the mysterious and revolutionary Persian mystic Zarathustra Zoroaster whom Nietzsche chose as a spokesperson The result is an enchanting journey through a world where life is celebrated not renounced and where timeless truths prevail over the lies and distortions that continue to cripple our efforts to become healthy and whole

Zarathustra: A God That Can Dance Osho,2023-03-08 FRIEDRICH NIETZSCHE is perhaps the greatest philosopher the world has known He is also great in another dimension which many philosophers are simply unaware of he is a born mystic His philosophy is not only of the mind but is rooted deep in the heart and some roots even reach to his very being The only thing unfortunate about him is that he was born in the West hence he could never come across any mystery school He contemplated deeply but he was absolutely unaware about meditation His thoughts sometimes have the depth of a meditator sometimes the flight of a Gautam Buddha but these things seem to have happened spontaneously to him

Human Excellence and an Ecological Conception of the Psyche John Hanwell Riker,1991-07-03 This book explores the possibility of grounding the idea of human excellence which has traditionally been
