The Sanctuary:

Feast Days for the Contemporary Mind Craig Martin Barnes, 2014-04-07 Thy way O God is in the sanctuary who is so great a God as our God Psalm 77 13 If you think the Old Testament feast days are outdated and of no interest to Christians living in the twenty first century think again Within the feast days lies the entire gospel message of salvation every feast says something about Jesus who He is what He is doing and what He will do in the future Feast Days for the Contemporary Mind will open your eyes to the amazing truths about salvation that God wove into the feasts He gave to the Israelites to observe Pastor Craig Martin Barnes explores each of the seven feasts and the antitypical fulfillment of each event as it relates to our redemption This book plunges you into the Word of God examining the Old and New Testament as it relates to the feast days and their completion and providing detailed commentary that expounds upon the subject matter and guides you to a deeper understanding of Jesus life death and heavenly ministry

Where God and I Meet Martin Pröbstle, A scarlet thread runs throughout the Bible It is the concept of redemptive blood Jesus beautiful and terrible death on the cross is central to the story of that scarlet thread but there is more to the story To understand the scarlet thread fully we must look at the sanctuary the holy ground that offers a glimpse of God s character and His plan of redemption Mysterious and often misunderstood the sanctuary is at the very heart of biblical theology Where God and I Meet will help you achieve greater understanding of the heavenly sanctuary the Israelite sanctuary the pre Advent judgment and Christ s sacrifice and high priestly ministry You ll come to grasp how the sanctuary interconnects with salvation prophecy and mission But most important you will see how the precious scarlet thread weaves a message of hope and redemption throughout every page of the Bible
