

A man and a woman in early 20th-century attire are shown on a ship's deck. The man, on the left, is wearing a light-colored suit jacket over a striped vest and a white shirt with a dark tie. He is looking down at a small, round object he is holding in his hands. The woman, on the right, is wearing a large, wide-brimmed straw hat and a light-colored, high-collared dress. She is also looking down at the object. The background shows a clear blue sky and the ocean. The text "SOMEWHERE IN TIME" is overlaid on the left side of the image in a bold, white, sans-serif font.

The Somewhere In Time Story:

The Somewhere in Time Story Bill Shepard,1994 *Love in the Afterlife* Richard Striner,2016-04-29 This is a definitive study of films that have been built around the themes of love death and the afterlife films about lovers who meet again and love again in heaven via reincarnation or through other kinds of after death encounters Far more than books about mere ghosts in the movies or religion in movies *Love in the Afterlife* presents a complex but highly distinctive and unique pattern the love death afterlife pattern as it was handed down by the ancient Egyptians and Greeks in the Isis and Orpheus myths for example developed by Freud and his followers in the duality of Eros and Thanatos and then featured in popular movies from the 1920s to the recent past Among its other qualities *Love in the Afterlife* may encourage readers to look at movies differently and reflect upon the possibility that other patterns in cinema may have gone undetected for years Furthermore this book will show how the love death afterlife theme found its way into all sorts of different film types melodramas comedies war films horror films film noir and other genres The book will be well illustrated and quotations from film reviews will enliven its pages A long appendix gives production data on almost sixty individual films
