The Spirit World Clarence Larkin, 1921 In this day of the revival of Spiritism when so many through the loss of loved ones in the Great World War are longing to communicate with the dead and are resorting to forbidden means to that end a day in which science is trying to discover whether there is another world than this and whether men live after death and if so can they communicate with the living it seems timely that a book should be written to show what the Holy Scriptures have revealed of the World of Spirits The Bible has much to say

Biblical Inspiration and the Authority of Scripture Carlos R. Bovell,2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology Meanwhile conservative evangelical theologians guard against the introduction of new ideas In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if so what this might entail for the authority of Scripture Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible *Day Thoughts on the New Testament of Our Lord and Saviour Jesus Christ* R.
