

Heart of the Spirit Man

GEORGE MENDOZA

Michael Seymour's fantastical journey through the dream world continues when a mysterious figure reaches across the veil between planes and steals his heart—literally! In a race against time, Michael gives chase to this mad god across the ever-twisting realms of Shook in a desperate bid to reclaim his stolen organ before it stops beating for good. As the elaborate game of cat and mouse unfolds across blazing deserts and frigid mountain peaks, Michael must face the possibility that this may be his last adventure... unless destiny has something else in mind.

PRaise FOR BOOK 1, JOURNEY OF THE SPIRIT MAN

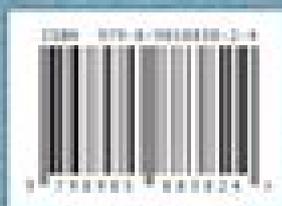

"A parable about living and dying that draws inspiration from various cultures and fables. In this brief, inspirational novel, author Mendoza weaves aspects of different belief systems, including Christianity, and multiple civilizations, apparently in an attempt to get readers to see their lives in a larger context and to encourage them to live to the fullest. A spiritually-minded novel with few descriptions and characterizations."

The Spirit Man Trilogy

Emanuel Swedenborg

The Spirit Man Trilogy:

The Spirit Man Trilogy George Mendoza,2000-04 For Michael Seymour his life changed forever when he passed through a magical gate into a fast changing other world far away from his home in New Mexico Michael is cast into a bizarre mirror world of stark reality a place where truth and delusion collide Through a series of devastating events Michael wonders if he will ever find his way back home From a tangible world through a magical gate a path leads Michael forward on a fantastic journey where he must confront his greatest fears and discover his true loves and desires He explores a city in ruin a mountain where thousands of pilgrims wish for a better tomorrow a chateau spawned from downtown hell a dome of promise and revelation carved from the bowels of the earth and guarded by the gods from ancient Egypt the wastelands of chaos and shock and finally a deadly encounter with Lord Striker himself The Spirit Man Trilogy is a brilliant display of imagination and it examines the struggles and triumphs of the human spirit taking the reader on a mind expanding journey that only a few have dared to contemplate

The Spiritual Man (2) Watchman Nee,1992-06-01 For more than seventy years The Spiritual Man Watchman Nee s classic on spiritual growth has helped believers advance in their pursuit of gaining Christ by showing them the way to let the Lord fully gain them According to Nee The most frustrating experience of believers today is that in seeking for progress in the spiritual path they do not find the proper way As a result they grope in darkness being at times high or low lingering around the crossroads year in and year out and having no one to consult for direction The author of this book was such a one For this reason the book emphasizes clear guidance on the proper path Every chapter of this book is for the purpose of directing the believers on the right course Therefore all those who seek after God with an honest heart can go step by step accordingly Almost every chapter begins from the position of the sinner and goes on step by step toward the peak of spiritual life This electronic book is the second of the three volumes of The Spiritual Man
