Journeying Towards the Spiritual Watchman Nee,2006-01-01 God s desire is to commune with man God being spirit the man who worships Him must worship in spirit and truth It is therefore essential for man to be spiritual This is what the gospel of Jesus Christ is all about Salvation is the way to spirituality The original three volume set of The Spiritual Man by Watchman Nee serves as a guide not as a manual to walk in spiritual life as well as to fight the spiritual warfare It was written under tremendous spiritual conflict Only through the grace of God and the victory of Christ was Watchman Nee able to finish the writing Now having become a Christian classic it may be considered as Watchman Nee s legacy to the Church Condensed in this new volume there are 42 lessons to be learned in journeying towards the spiritual May we be guided by the Spirit of God to heartily learn these necessary lessons all to the glory of God **The Spiritual Man (3)** Watchman Nee,1992-06-01 For more than seventy years The Spiritual Man Watchman Nee s classic on spiritual growth has helped believers advance in their pursuit of gaining Christ by showing them the way to let the Lord fully gain them According to Nee The most frustrating experience of believers today is that in seeking for progress in the spiritual path they do not find the proper way As a result they grope in darkness being at times high or low lingering around the crossroads year in and year out and having no one to consult for direction The author of this book was such a one For this reason the book emphasizes clear guidance on the proper path Every chapter of this book is for the purpose of directing the believers on the right course Therefore all those who seek after God with an honest heart can go step by step accordingly Almost every chapter begins from the position of the sinner and goes on step by step toward the peak of spiritual life This electronic book is the third of three volumes *Watchman Nee Collection* Watchman Nee,2026-01-03 Watchman Nee is one of the most widely read writers today for his in depth theology and practice for the lives of Christians Regardless of whether one is new to the faith or has been in Christ for many years these writings are solid food for every Christian The passage of time does not age the revelation on the contrary it makes it more practical and useful for our lives We invite you to read these books The Spiritual Man A Living Sacrifice and Authority Submission with great attention God is looking for you The Spiritual Man Brother

Watchman Nee clearly teaches us about the workings of the human spirit soul and body The Christian must learn to live above carnality and the lusts of the flesh He can with the power of the Holy Spirit and the word of God be free from the dominion of the passions You can be free from a carnal and soul life if we let the Holy Spirit of God penetrate our understanding and our hearts This book has brought great revelation and strength to the body of Christ for years We want God to use this book to help people on their spiritual journey This version has references and comments for a better understanding Living Sacrifice Today s society is unstable and purposeless Christianity is the answer In Christ is found the purpose and fulfillment that humanity seeks Burdened with the need of a firm foundation for the Christian life brother Watchman Nee gave a series of basic lessons on practical Christian living during the training session for workers held in Kuling Foochow China in 1948 He expressed the hope that these essential lessons might be faithfully learned by God s people thereby laying a good foundation for the building up of the Body of Christ More than half a century later these lessons take on more relevance than ever Authority Submission This century is characterized by anarchy and disobedience that produce disorder in all areas of life This disorder slowly produces the destruction of all society We need as a church to cleanse ourselves of all spirit of disobedience and rebellion to God In this series of messages Watchman Nee teaches us what our attitude to God s authority should be what is the correct submission to his authority which is rebellion how the lordship of Christ is manifested in our life and other teachings *The spiritual man; or, The spiritual life reduced to its first principles, tr. by a member of the Order of mercy, authoress of 'The life of mother McCauley'.* Jean Baptiste de Saint Jure,1878 **The Spiritual Man (Commented Edition)** Watchman Nee,2026-01-15 The Spiritual Man Watchman Nee is a foundational Christian classic on spiritual growth explaining the difference between spirit soul and body and how believers learn to live by the Spirit This book explores The functions of the human spirit conscience fellowship intuition The role of the soul mind emotions will and common spiritual pitfalls The work of the cross in breaking the outer man and freeing the inner life Discernment what is natural what is merely religious and what is truly spiritual Practical insight for maturity guidance and spiritual conflict The Spiritual Man Commented Edition With References includes additional commentary and strong references to support study and deepen understanding Compared with standard reprints this edition provides clearer navigation of Nee s key themes and a more structured reading experience ideal for serious personal study discipleship and rereading *The Spiritual Man* Watchman Nee,C.
