HOW TO FIND YOUR PURPOSE IN LIFE

Write down hobbies and activities that excite you, where time flies and you feel alive

Reconnect with your childhood self - What did you love doing as a child

Reflect on moments when you felt truly fulfilled and the impact you had on others

List skills you excel at and what others seek your help with regularly

For one year, say yes to as many new experiences as possible

List your regrets. Understanding what you wish you had done can illuminate what truly matters to you

Identify people you envy and understand why. Often, envy points to something you desire for yourself

Practice mindfulness to connect with your inner voice and trust your gut instincts

Take a break from your regular life- this could be a gap year, a long retreat, or simply a few weeks off

Imagine what you'd like people to say about you at your 90th birthday

Create a "passion timeline" where you chart moments in your life when you felt most alive

Engage in meaningful conversations with people outside your social circle to get a fresh perspective
