

WHAT IS A **FABLE**?

A **fable** is a story that features animals, plants or forces of nature which are anthropomorphised (given human qualities).

A **fable** always ends with a 'moral'. This is the lesson that is intended to be learnt through reading the story.

One of the most famous fables is The Hare and the Tortoise. In this fable, both animals are anthropomorphised in that they can speak and are competing against each other in a race.
