

Three Daring Daughters

Briton Hadden

Three Daring Daughters:

Hollywood Diva Edward Baron Turk,1998-11-01 Jeanette MacDonald the movie musical s first superstar was an American original whose onscreen radiance mirrored a beguiling real life personality Based in large part on the author s exclusive access to MacDonald s private papers including her unpublished memoir this vivid often touching biography transports us to a time when lavish musical films were major cultural events and a worldwide public eagerly awaited each new chance to fall under the singer s spell Edward Baron Turk shows how MacDonald brilliantly earned her Hollywood nickname of Iron Butterfly and why she deserves a privileged position in the history of music and motion pictures What made MacDonald a woman for our times readers will discover was her uncommon courage Onscreen the actress portrayed strong characters in pursuit of deep emotional fulfillment often in defiance of social orthodoxy while offscreen she personified energy discipline and practical intellect Drawing on interviews with individuals who knew her and on MacDonald s own words Turk brings to life the intricate relations between the star and her legendary costars Maurice Chevalier Clark Gable and above all baritone Nelson Eddy He reveals the deep crushes she inspired in movie giants Ernst Lubitsch and Louis B Mayer and the extraordinary love story she shared with her husband of twenty seven years actor Gene Raymond More than simply another star biography however this is a chronicle of American music from 1920s Broadway to 1960s television in which Turk details MacDonald s fearless efforts to break down distinctions between High Art and mass consumed entertainment Hollywood Diva will attract fans of opera and concert music as much as enthusiasts of the great Hollywood musicals It is first rate cultural and film history *The Complete Films of Jeanette MacDonald and Nelson Eddy* Philip Castanza,1990 Brief biographies stills and film synopses and credits help chronicle the careers of the Hollywood stars who became America s Singing Sweethearts Gidget Pamela Robertson Wojcik,2020-11-22 Gidget Origins of a Teen Girl Transmedia Franchise examines the multiplicity of books films TV shows and merchandise that make up the transmedia Gidget universe from the late 1950s to the 1980s The book examines the Gidget phenomenon as an early and unique teen girl franchise that expands understanding of both teen girlhood and transmedia storytelling It locates the film as existing at the historical intersection of numerous discourses and events including the emergence of surf culture and surf films the rise of California as signifier of modernity and as the epicentre of white American middle class teen culture the annexation of Hawaii the invention of Barbie and Hollywood s reluctant acceptance of teen culture and teen audiences Each chapter places the Gidget text in context looking at production and reception circumstances and intertexts such as the novels of Fran oise Sagan the Tammy series La Dolce Vita and The Patty Duke Show to better understand Gidget s meaning at different points in time This book explores many aspects of Gidget providing an invaluable insight into this iconic franchise for students and researchers in film studies feminist media studies and youth culture *Collier's* ,1948 **Woman's Home Companion** ,1948 Sacred Passions : The Life and Music of Manuel de Falla Carol A. Hess Assistant Professor of Music Bowling Green State University,2004-11-11

The work of composer Manuel de Falla 1876 1946 ranges from late romantic salon pieces to evocations of flamenco to stark neoclassicism Yet his music has met with conflicting reactions depending on the audience In his native Spain Falla is considered the most innovative composer of the first half of the twentieth century Likewise in the United States Falla enjoyed a strong following in the concert hall But many of his works especially some of the colorful or exotic dances from *The Three Cornered Hat* and *El Amor Brujo* were taken up during the Latin music craze of the 1930s and 40s and appeared in everything from jazz and pop arrangements to MGM musicals Similarly enigmatic are the details of Falla s life He never sustained a lasting intimate relationship with a woman yet he created compelling female roles for the lyric stage Although he became incensed when publishers altered his music he more than once tinkered with Chopin and Debussy Despite insisting that he was apolitical Falla ultimately took sides in the Spanish Civil War initially allying himself rather half heartedly with Franco s Nationalists but later rejecting the honors they proffered All his life his rigorous brand of Roman Catholicism brought him both solace and agony in his quest for spiritual and artistic perfection In *Sacred Passions The Life and Music of Manuel de Falla* Carol A Hess explores these contradictions and offers a fresh understanding of this fascinating composer Building on over a decade of research Hess examines Falla s work in terms of musical style and explores the cultural milieus in which he worked During a seven year sojourn to Paris just prior to World War I Falla associated with composers Dukas Stravinsky Ravel and the rest of the group known as les Apaches Later back in Spain he played a pivotal role in the remarkable cultural renaissance known as the Silver Age during which Lorca Bunuel Dali Unamuno and of course Falla himself made some of their boldest artistic statements Hess also explores a number of myths cultivated in earlier biographies including Falla s supposed misogynistic tendencies and accusations of homosexuality which have led some biographers to consider him a saint like ascetic She offers a balanced view of his behavior during the Spanish Civil War a wrenching event for a Spaniard of his generation and one that Falla biographers have left largely untouched With superb analysis of his music and enlightening detail about its critical reception Hess also examines Falla s status in some circles as little more than a high class pop composer given the mass appeal of much of his music She incorporates recent research on Falla draws upon untapped sources in the Falla archives and reevaluates his work in terms of current issues in musicology Ultimately Hess places Falla s variegated oeuvre which straddles popular and serious idioms securely among the best of his better known European contemporaries What emerges is a gracefully written balanced portrait of a man whose lofty spiritual values inspired singular musical utterances but were often at odds with the decidedly imperfect world he inhabited

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world s foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut In addition to a precis each film s entry also
