residents have struggled to rebuild their lives and their community's identity after the town was uprooted and moved in the late 1950s to make way for the St Lawrence Seaway. Now as shocking secrets begin to surface it becomes clear that Conawalki is more than just a town in search of an identity; it's a place built on hidden truths and unspoken fears. At the heart of the turmoil are the Three Smart Boys: Mark, Seb, and Flix, teenage friends and bandmates navigating their own identity crisis. As they chase their dreams and grapple with the town's unraveling mysteries, they become entangled in a web of murder, blackmail, betrayal, and a brush with death that will change them forever. In a town where the past refuses to stay buried, the boys must uncover who they really are before the deception that blankets their community like a looming shadow destroys everything they hold dear.
