THE CRITERION COLLECTION

Threepenny Opera

**Library of Congress. Library of
Congress Office, New Delhi**

Threepenny Opera:

Kurt Weill: The Threepenny Opera Stephen Hinton, 1990-07-26 This is the first book on the best known of the Weill Brecht collaborations to explore the extent and significance of the composer's contribution Described as the weightiest possible lowbrow opera for highbrows and the most full blooded highbrow musical for lowbrows Hans Keller the enduringly popular Threepenny Opera has given rise not only to interpretations as numerous as they are diverse but also to new adaptations One such is Brecht's hitherto unpublished concert version which is included here in English translation Even the stage work generally known today departs significantly from what was performed at the premiere in 1928 After a detailed reconstruction of the work's genesis and continued revision over three decades the editor examines the spin offs in which the authors participated the instrumental suite the film the law suit the novel and the musical and textual revisions of songs In a brisk survey of the stage history the editor pays particular attention to pioneering productions in Germany and Britain Kim Kowalke provides an exhaustive account of the history of The Threepenny Opera in America Geoffrey Abbott addresses questions concerning authentic performance practice and David Drew analyzes large scale motivic relationships in the music Among the earlier writings on the work reprinted here those by Theodor W Adorno Ernst Bloch and Walter Benjamin appear for the first time in English translation A concluding chapter by the editor considers whether The Threepenny Opera's popularity rests as frequently maintained on a misunderstanding The book contains numerous illustrations a discography and music examples

The Threepenny Opera Kurt Weill, Bertolt Brecht, 1964 Set in Victorian London the play focuses on Macheath an amoral antihero who leads a criminal gang committing robbery arson rape and murder

The Threepenny Opera Bertolt Brecht, Kurt Weill, 2022-02-10 One of Bertolt Brecht's best loved and most performed plays The Threepenny Opera was first staged in 1928 at the Theater am Schiffbauerdamm Berlin now the home of the Berliner Ensemble Based on the eighteenth century *The Beggar's Opera* by John Gay the play is a satire on the bourgeois society of the Weimar Republic but set in a mock Victorian Soho With Kurt Weill's music which was one of the earliest and most successful attempts to introduce the jazz idiom into the theatre it became a popular hit throughout the western world This new edition is published here in John Willett and Ralph Manheim's classic translation with commentary and notes by Anja Hartl

Moscow Performances II John Freedman, 1998 This is a collection of John Freedman's reviews and articles most originally written for the *Moscow Times* in which he focuses his expert critical eye on the directors writers and actors who held centre stage during the 1996-97 theatre season in Moscow The book looks at the debut of promising new artists and directors at the Moscow Art Theatre celebrating its 100th anniversary this year and offers a wealth of insight into the latest developments in Russian theatre Freedman illuminates all of the season's noteworthy trends and events in clear informed and unapologetically opinionated reports More than just an overview of the stars and highlights *Moscow Performances II* observes at close range the playhouses and the people who make up the ever changing face of contemporary Russian theatre today

This volume is generously illustrated with photographs of featured productions and will be a useful reference for students professors writers directors and actors in the fields of Russian studies theatre studies theatre history and contemporary culture actors in the fields of Russian studies theatre studies theatre history and contemporary culture

Commodities of Desire Christiane Schönfeld, 2000 *Commodities of Desire* investigates the figure of the prostitute in modern German literature from the Wilhelmine Empire to the Weimar Republic and provides the social legal and cultural contexts necessary for their interpretation

The Cambridge Companion to Brecht Peter Thomson, Glendyr Sacks, 1994-01-28 This Companion offers students crucial guidance on virtually every aspect of the work of this complex and controversial writer bringing together the contrasting views of major critics and active practitioners The opening essays place Brecht's creative work in its historical and biographical context and are followed by chapters on single texts from *The Threepenny Opera* to *The Caucasian Chalk Circle* on some early plays on the Lehrstücke and on the neglected contribution of Elisabeth Hauptmann to the Brecht canon The third group of essays analyse Brecht's directing his theatrical theories his poetry his interest in music his significant collaboration with stage designers and his work with actors concluding with an assessment of Brecht's continuing influence on theatre practice A detailed calendar of Brecht's life and work and a selective bibliography of English criticism complete this provocative overview of a writer who constantly aimed to provoke

Disability Theatre and Modern Drama Kirsty Johnston, 2016-04-21 Bertolt Brecht's silent Kattrin in *Mother Courage* or the disability performance lessons of his Peachum in *The Threepenny Opera* Tennessee Williams limping Laura Wingfield in *The Glass Menagerie* and hard of hearing Bodey in *A Lovely Sunday for Creve Coeur* Samuel Beckett's blind Hamm and his physically disabled parents Nagg and Nell in *Endgame* these and many further examples attest to disability's critical place in modern drama This Companion explores how disability performance studies and theatre practice provoke new debate about the place of disability in these works The book traces the local and international processes and tensions at play in disability theatre and offers a critical investigation of the challenges its aesthetics pose to mainstream and traditional practice The book's first part surveys disability theatre's primary principles critical terms internal debates and key challenges to theatre practice Examining specific disability theatre productions of modern drama it also suggests how disability has been re-imagined and embodied on stage In the book's second part leading disability studies scholars and disability theatre practitioners analyse and creatively re-imagine modern drama demonstrating how disability aesthetics press practitioners and scholars to rethink these works in generative valuable and timely ways

Marc Blitzstein Howard Pollack, 2012-10-01 A composer and lyricist of enormous innovation and influence Marc Blitzstein remains one of the most versatile and fascinating figures in the history of American music his creative output running the gamut from films scores and Broadway operas to art songs and chamber pieces A prominent leftist and social maverick Blitzstein constantly pushed the boundaries of convention in mid-century America in both his work and his life Award-winning music historian Howard Pollack's new biography covers Blitzstein's life

in full from his childhood in Philadelphia to his violent death in Martinique at age 58 The author describes how this student of contemporary luminaries Nadia Boulanger and Arnold Schoenberg became swept up in the stormy political atmosphere of the 1920s and 1930s and throughout his career walked the fine line between his formal training and his populist principles Indeed Blitzstein developed a unique sound that drew on everything contemporary from the high modernism of Stravinsky and Hindemith to jazz and Broadway show tunes Pollack captures the astonishing breadth of Blitzstein s work from provocative operas like *The Cradle Will Rock* No for an Answer and *Regina* to the wartime *Airborne Symphony* composed during his years in service to lesser known ballets film scores and stage works A courageous artist Blitzstein translated Bertolt Brecht and Kurt Weill s *The Threepenny Opera* during the heyday of McCarthyism and the red scare and turned it into an off Broadway sensation its *Mack the Knife* becoming one of the era s biggest hits Beautifully written drawing on new interviews with friends and family of the composer and making extensive use of new archival and secondary sources Marc Blitzstein presents the most complete biography of this important American artist

Marc Blitzstein Leonard Lehrman,2005-09-30 Marc Blitzstein was one of the 20th century s most important American composers lyricists and critics often credited with having virtually invented opera in the American vernacular Called the father of American opera in the vernacular by luminaries Aaron Copland and Leonard Bernstein Blitzstein was a masterful pianist coach and accompanist though ironically he made more money on the lyrics to one song *Mack the Knife* than on everything else he ever did Blitzstein s brilliant career was cut short in 1964 when he died at the age of 58 This book catalogs Blitzstein s own writings and writings about him followed by detailed listings chronological alphabetical and genre analysis a comprehensive performance history and summaries of all known critiques of his 128 original musical works and 18 texts set to the music of others Shown in detail are the ways in which Blitzstein took music from his earlier works and developed it in later works a process that Lehrman utilized in completing with Bernstein s and the Estate s approval 20 Blitzstein works for performance including *The Cradle Will Rock* *I ve Got the Tune* *No for an Answer* *Idiots First* and *Sacco and Vanzetti* which Blitzstein believed would be his magnum opus The book provides a unique and full perspective on the works of one of America s greatest composers one who deserves to be better known
