Religion & Contemporary Art Anthony Padgett, 2010-02 These essays explore the relationship between art and religion The first part 2001 2002 is essays about The Ism where 1994 9 Padgett united religious and spiritual perspectives by uniting the art forms appropriate to them The second part is essays from 2002 2005 when Padgett studied at Wimbledon School of Art London for an MA in Theory of Contemporary Art and Performance Padgett looks at artists Damien Hirst Thomas Hirschhorn Anton Artaud Jake and Dinos Chapman Brothers Guillermo Gomez Pena etc and develops the idea of Postmodern Religious Art His program of uniting the art forms is progressed by uniting the specific material forms of religions in semi irony with the profane whilst keeping the sacred as of highest importance The final part is the questionnaire that Padgett submitted to the Employment Tribunals giving the main arguments behind his claim that the Tate Galleries were exercising religious discrimination in the way they selected artworks

Re-presentation Policies of the Fashion Industry Eleni Mouratidou, 2020-10-08 The book studies the way the luxurious fashion develops re presentational politics by reinvesting symbolic fields such as art and culture religion and the sacred as well as politics in other words fields that represent a certain common pattern of life and a common interest I develop a semiotic approach of the way art exhibitions print and audiovisual advertising publishing and distribution politics as well as special ready to wear collaborations with arts such as Jeff Koons reveal the fashion industrys gesture of pretending being a non commercial structure especially in order to cover up its industrialisation and banalization process

Religion and Contemporary Art Ronald R. Bernier, Rachel Hostetter Smith, 2023-05-11 Religion and Contemporary Art sets the theoretical frameworks and interpretive strategies for exploring the re emergence of religion in the making exhibiting and discussion of contemporary art Featuring essays from both established and emerging scholars critics and artists the book reflects on what might be termed an accord between contemporary art and religion It explores the common strategies contemporary artists employ in the interface between religion and contemporary art practice It also includes case studies to provide more in depth treatments of specific artists grappling with themes such as ritual abstraction mythology the body popular culture science liturgy and social justice among other themes It is a must read resource for working artists critics and scholars in this field and an invitation to new voices curious about its promises and possibilities

[Art, Religion, Amnesia](#) Donald Preziosi, 2013-12-04 Art Religion Amnesia addresses the relationship between art and religion in contemporary culture directly challenging contemporary notions of art and religion as distinct social phenomena and explaining how such Western terms represent alternative and even antithetical modes of world making In this new book Professor Preziosi offers a critique of the main thrust of writing in recent years on the subjects of art religion and their interconnections outlining in detail a perspective which redefines the basic terms in which recent debates and discussions have been articulated both in the scholarly and popular literature and in artistic political and religious practice Art Religion and Amnesia proposes an alternative to the two conventional traditions of writing

on the subject which have been devoted on the one hand to the spiritual dimensions of artistry and on the other hand to the equally spurious aesthetic aspects of religion The book interrogates the fundamental assumptions fuelling many current controversies over representation idolatry blasphemy and political culture Drawing on debates from Plato s proposal to banish representational art from his ideal city state to the Danish cartoons of Mohamed Preziosi argues that recent debates have echoed a number of very ancient controversies in political philosophy theology and art history over the problem of representation and its functions in individual and social life This book is a unique re evaluation of the essential indeterminacy of meaning making marking a radically new approach to understanding the inextricability of aesthetics and theology and will be of interest to students and researchers in art history philosophy and religion and cultural theory

Journal of the Royal Society of Arts ,1874 Denuded Devotion to Christ Larry D. Harwood,2013-01-14 Much of the emerging Protestantism of the sixteenth century produced a Reformation in conscious opposition to formal philosophy Nevertheless sectors of the Reformation produced a spiritualizing form of Platonism in the drive for correct devotion Out of an understandable fear of idolatry or displacement of the uniquely redemptive place of Christ Christian piety moved away from the senses and the material world freshly uncovered in the Reformation This volume argues however that in the quest for restoring true religion sectors of the Protestant tradition impugned too severely the material components of prior Christian devotion Larry Harwood argues that a similar spiritualizing tendency can be found in other Christian traditions but that its applicability to the particulars of the Christian religion is nevertheless questionable Moreover in that quest of a spiritualizing Protestant true religion the Christian God could shade toward the conceptual god of the philosophers with devotees construed as rationalist philosophers Part of the paradoxical result was to propel the Protestant devotee toward a denuded worship for material worshippers of the Christian God who became flesh
