Using Technology In Human Services Education Going The Distance:

Using Technology in Human Services Education Goutham M Menon, Nancy K Brown, 2001-11-14 Make the most of what today's technology has to offer in human services education Distance education presents special challenges to social work education Using Technology in Human Services Education Going the Distance provides case studies and practical research on making the best use of this powerful new tool for teaching Designed for both practitioners and educators this fascinating book examines the use of technology in education and practice in the field of social work and other human services Because setting up distance learning programs can be expensive Using Technology in Human Services Education suggests ways to reduce the impact on the budget including setting up a consortium to merge resources with other schools It also shows how to integrate traditional instructional approaches with the new technologies how to make use of email and electronic discussion groups and how to use the Internet to hone practice related skills In addition it covers the current status of the technology itself Using Technology in Human Services Education Going the Distance explores ways to maximize the potential of distance education such as a framework for designing distance education courses that fully utilize the unique environments these courses offer a discussion of the impact of technological tools in teaching specific course content ways that SACs Site Advisory Committees can increase students socialization into their new professions ways that students need to be supported in order to feel a connection to a distance learning program the use of GIS Geographic Information Systems to help meet and identify the information needs of a field placement agency Using Technology in Human Services Education offers creative approaches and practical advice for making the best use of the technology Whatever your level of computer skill from novice to hacker this book will give you ideas you can use No individual or institution interested in maintaining top quality in human services education should be without this book

Web-Based Education in the Human Services

Richard Schoech, Brenda Moore, Robert James Macfadden, Marilyn Herie, 2014-02-25 Web Based Education in the Human Services reflects the vitality and diversity of Web based courses currently delivered within human services Unlike previous texts that have combined technologies such as Interactive Television ITV and two way audio where Web involvement was minimal this unique book focuses on Web based models tools and techniques used in courses where the majority of the content is delivered online The book's contributors emphasize the social aspects of learning examining topical areas not usually associated with Web based education as they remind us of the need to move beyond the similarities between WBE and face to face FTF approaches

Using the Internet as a Research Tool for Social Work and Human Services Goutham M Menon, 2002-05-15 Researchers and instructors examine ways to make the Internet work to your advantage Using the Internet as a Research Tool for Social Work and Human Services examines the exciting benefits for social workers of using the Internet to facilitate their studies By introducing various methodologies and insights this book explains how the Web can be a valuable and legitimate form of research This vital book examines the problems associated with studying virtual

communities and cyber culture and offers innovative ways to administer experiments by measuring response time over the Web This informative book explores new and innovative trends in Internet research including methodologies for data collection sampling and representation of the subjects psychological testing and using the Internet for training developing and deploying Internet studies by replacing traditionally administered questionnaires with online surveys the use of technology to enhance the development of research skills of undergraduate level multicultural mental health researchers
