GODS OF VIOLENCE

Violence In Gods Name

Paul C. McGlasson

Violence In Gods Name:

Violence in God's Name Oliver J. McTernan, 2003 This book provides insight into the growing phenomenon of religious inspired violence and an analysis of the political world's failure to understand the problem Oliver McTernan traces the historical ambivalence of the world's major religious traditions towards violence arguing that today's religious activists select the past misuse of foundational texts and exemplars to justify their own resort to violence He challenges both religious and political leaders to rethink their response to the current crisis A call for tolerance he argues is insufficient Religious leaders need to re-examine their attitudes towards pluralism

Not in God's Name Jonathan Sacks, 2015-10-13 2015 National Jewish Book Award Winner In this powerful and timely book one of the most admired and authoritative religious leaders of our time tackles the phenomenon of religious extremism and violence committed in the name of God If religion is perceived as being part of the problem Rabbi Sacks argues then it must also form part of the solution When religion becomes a zero sum conceit that is my religion is the only right path to God therefore your religion is by definition wrong and individuals are motivated by what Rabbi Sacks calls altruistic evil violence between peoples of different beliefs appears to be the only natural outcome But through an exploration of the roots of violence and its relationship to religion and employing groundbreaking biblical analysis and interpretation Rabbi Sacks shows that religiously inspired violence has as its source misreadings of biblical texts at the heart of all three Abrahamic faiths By looking anew at the book of Genesis with its foundational stories of Judaism Christianity and Islam Rabbi Sacks offers a radical rereading of many of the Bible's seminal stories of sibling rivalry Cain and Abel Isaac and Ishmael Jacob and Esau Joseph and his brothers Rachel and Leah Abraham himself writes Rabbi Sacks sought to be a blessing to others regardless of their faith That idea ignored for many of the intervening centuries remains the simplest definition of Abrahamic faith It is not our task to conquer or convert the world or enforce uniformity of belief It is our task to be a blessing to the world The use of religion for political ends is not righteousness but idolatry To invoke God to justify violence against the innocent is not an act of sanctity but of sacrilege Here is an eloquent call for people of goodwill from all faiths and none to stand together confront the religious extremism that threatens to destroy us and declare Not in God's Name

The Atonement of God J. D. Myers, 2016-03-21 No Jesus did not die to purchase forgiveness from God or so that God could love you once again God has always loved and always forgiven you for all your sins By reading this book you will learn why Jesus died and what His death means In the process you will learn to see God Scripture yourself and humanity in a whole new light Hopefully you will also learn to live in a whole new way The book begins with a short explanation of the various views of the atonement including an explanation and defense of the Non Violent View of the atonement This view argues that God did not need or demand the death of Jesus in order to forgive sins In fact God has never been angry with us at all but has always loved and always forgiven Following this explanation of the atonement J D Myers takes you on a journey through 10 areas of theology which are radically changed and transformed by

the Non Violent view of the atonement The ten areas that you will understand in a whole new way are 1 The Life of Jesus Christ 2 God 3 Scripture 4 Sacrifice 5 Humanity 6 Sin 7 Forgiveness 8 Justice 9 Violence 10 Peace Read this book and let your life and theology look more and more like Jesus Christ

Church Doctrine, Volume 2 Paul C. McGlasson, 2014-08-04 The present volume is the second in a five volume study of church doctrine The multivolume set will cover the major parts of church doctrine Canon God Creation Reconciliation and Redemption The first volume now in print begins with an introduction to the entire project on why doctrine matters which stresses the ecumenical global and above all biblical horizons of church doctrine as a primary expression of Christian witness The purpose of this second volume can be simply stated to let God be God In a world in which the God of the Christian witness is often confused with the tribal god of religion a god who sets us against them who divides humanity into nations peoples regions races the gospel proclaims the living God of the Bible who fashions a new humanity on the earth This God in the freedom of his love elects to be for humanity and calls all humanity to live for him Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ the risen Lord

Leader's Guide for Primary Source Readings in Christian Morality Diana Turney, 2008-02-04 Primary Source Readings in Christian Morality presents the living words of the Catholic Church and the wisdom of everyday people addressing the moral issues that impact our lives One goal of Primary Source Readings in Christian Morality is to help students realize the connection between behavior and character Additionally the hope is that students will uncover that the road to authentic happiness and joy involves working on their relationship with God Within this book you will find writings from Pope Benedict XVI The Second Vatican Council Richard Gula SS Pope Paul VI Ronald Rohlheiser Erich Maria Remarque Pope John Paul II The United States Conference of Catholic Bishops

In the Name of God Michael Jordan, 2006 Why and how does religion fuel fighting death and destruction This is the central question addressed here This book examines the history of religious violence looking at patterns and causes consistencies and aberrations It also looks at the relationship between religion and politics

Instead of Atonement Ted Grimsrud, 2013-03-13 Do atonement theologies that focus on Jesus death underwrite human violence If so we do well to rethink beliefs that this death is necessary to bring salvation Focusing on the Bible s salvation story Instead of Atonement argues for a logic of mercy to replace Christianity s traditional logic of retribution The book traces the Bible s main salvation story through God s liberating acts the testimony of the prophets and Jesus s life and teaching It then takes a closer look at Jesus s death and argues that his death gains its meaning when it exposes violence in the cultural religious and political Powers God s raising of Jesus completes the story and vindicates Jesus s life and teaching The book also examines the understandings of salvation in Romans and Revelation that reinforce the message that salvation is a gift of God and that Jesus s work has to do with his faithful life his resistance to the Powers and God s vindication of him through resurrection The book concludes that the Bible s salvation story provides a different way instead of atonement to understand salvation In

turn this biblical understanding gives us today theological resources for a mercy oriented approach to responding to wrongdoing one that follows God's own model

The Judas Effect Amy Hawk, 2024-06-20 In 2016 Amy Hawk was a hyper patriotic Jesus loving white evangelical church attending and ministry leading wife and mom living in a small town in the Pacific Northwest She came into the election determined to vote Republican but when she saw the video of Donald Trump mocking a disabled journalist she hurled herself off the Trump train and never looked back Shunned by some in her conservative evangelical community her world was shattered and her faith tested as she was forced to reevaluate the Christian institutions she devoted her life to Disoriented and confused by the church's embrace of a man who is the antithesis of Jesus Hawk turned to the Scriptures for answers Part Bible study and part personal faith journey The Judas Effect is about the selling out of Christian values for political gain It's about how buoyed by Trumpism the message ringing from church bells across America has morphed from goodwill toward men to it's us against them By sharing her own faith crisis Hawk casts a vision for the evangelical church that steers us away from Judas's power lust toward a Christ centered mission of servitude humility compassion and kindness
