A SELECTION OF CRITICAL ESSAYS
EDITED BY
JONAS B. SARON

Volpone A Casebook

**J. Ellen Gainor, Stanton B.
Garner, Martin Puchner**

Volpone A Casebook:

Jonson: Volpone Jonas Alexander Barish, 1982 Jonson: Volpone Jonas A. Barish, 1972 Volpone's Bastards Isaac Hui, 2018-01-09 Brings Ben Jonson to the twenty first century by reading Volpone through psychoanalysis poststructuralism and Marxism Through studying Volpone s three bastard children the dwarf the androgyne and the eunuch from the theoretical argument of Freud Lacan Derrida and Foucault this book discusses how Jonson s comedies are built upon the tension between death castration and nothingness on one hand and the comic slippage of identities in the city on the other This study understands Jonson first and foremost as a comedy writer linking his work with modern film comedies such as the Marx Brothers Woody Allen Mel Brooks and Monty Python It is a new approach to Jonsonian studies responding to the current Marxist Lacanian studies of literature film and culture made popular by scholars such as Slavoj Zizek Alenka Zupancic and Mladen Dolar While the book pays close attention to the historical context of Jonson s time it brings him to the twenty first century by discussing early modern comedies with modern critical theories and film Key Features Reads Ben Jonson in fresh ways from various theoretical perspectives including psychoanalysis poststructuralism and Marxism Shows readers how the dwarf the androgyne the eunuch and the parasite are instrumental to the understanding of Volpone and other Jonson s comedies including Epicoene The Alchemist and Bartholomew Fair Provides readers with a new understanding of Jonson s comedy early modern city comedy and the difference between comedy and tragedy Compares Jonson with other early modern plays such as Shakespeare s King Richard III and Twelfth Night Middleton s A Mad World My Masters and A Chaste Maid in Cheapside and Massinger s The Renegado Compares Jonson s comedies with modern film comedies such as the Marx Brothers Woody Allen Mel Brooks and Monty Python **Review of Two Works on Ben Jonson** John W. Creaser, 1975 *Unfixable Forms* Katherine Schaap Williams, 2021-06-15 Unfixable Forms explores how theatrical form remakes and is in turn remade by early modern disability Figures described as deformed lame crippled ugly sick and monstrous crowd the stage in English drama of the sixteenth and seventeenth centuries In each case such a description distills cultural expectations about how a body should look and what a body should do yet crucially demands the actor s embodied performance In the early modern theater concepts of disability collide with the deforming vulnerable body of the actor Reading dramatic texts alongside a diverse array of sources ranging from physic manuals to philosophical essays to monster pamphlets Katherine Schaap Williams excavates an archive of formal innovation to argue that disability is at the heart of the early modern theater s exploration of what it means to put the body of an actor on the stage Offering new interpretations of canonical works by William Shakespeare Ben Jonson Thomas Dekker Thomas Middleton and William Rowley and close readings of little known plays such as The Fair Maid of the Exchange and A Larum For London Williams demonstrates how disability cuts across foundational distinctions between nature and art form and matter and being and seeming Situated at the intersections of early modern drama disability studies and performance theory Unfixable Forms

locates disability on the early modern stage as both a product of cultural constraints and a spark for performance's unsettling demands and electrifying eventfulness

Renaissance Papers 2014 Jim Pearce, Ward J. Risvold, Nathan Dixon, 2015-11

Annual volume of the best essays submitted to the Southeastern Renaissance Conference this year with an emphasis on English drama particularly Jonson and Marlowe Renaissance Papers collects the best scholarly essays submitted each year to the Southeastern Renaissance Conference The 2014 volume opens and closes with essays on historically based explorations of identity the first on the circle of Jane Scroop in Skelton's Philip Sparrow and the last on dogs and horses as symbols of national identity in early modern England The heart of this year's journal is English drama especially Jonson and Marlowe there are essays on Puritan logic in Jonson's Bartholomew Fair grotesque sex in Jonson's Volpone the role of anti Catholicism in the creation of Marlowe's Dr Faustus and the relationship between puppetry and the Faust legend Marlowe and Jonson also surface in two reconsiderations of their non dramatic works first an essay on Ovidian resonances in Marlowe's Hero and Leander and second a reflection on Spenserian echoes in Jonson's Epode The next essay shifts to the poetics of religious literature arguing for clothing as an important metaphor for renewal in Herbert's The Temple and the penultimate essay addresses imaginative resources in the Martin Marprelate pamphlets Contributors William Coulter Philip Goldfarb Chris Hill Joanna Kucinski Pamela Macfie Sara Mayo Barry Shelton Emily Stockard Lisa Ulevich Emma Annette Wilson The journal is edited by Jim Pearce of North Carolina Central University and Ward Risvold of the University of Georgia

Ben Jonson Ian Donaldson, 2012-02-20 Ben Jonson was the greatest of Shakespeare's contemporaries In the century following his death he was seen by many as the finest of all English writers living or dead His fame rested not only on the numerous plays he had written for the theatre but on his achievements over three decades as principal masque writer to the early Stuart court where he had worked in creative and often stormy collaboration with Inigo Jones One of the most accomplished poets of the age he had become in fact if not in title the first Poet Laureate in England Jonson's life was full of drama Serving in the Low Countries as a young man he overcame a Spanish adversary in single combat in full view of both the armies His early satirical play The Isle of Dogs landed him in prison and brought all theatrical activity in London to a temporary and very nearly to a permanent standstill He was almost at the gallows for killing a fellow actor after a quarrel and converted to Catholicism while awaiting execution He supped with the Gunpowder conspirators on the eve of their planned coup at Westminster After satirizing the Scots in Eastward Ho he was imprisoned again and throughout his career was repeatedly interrogated about plays and poems thought to contain seditious or slanderous material In his middle years twenty stone in weight he walked to Scotland and back seemingly partly to fulfil a wager and partly to see the land of his forebears He travelled in Europe as tutor to the mischievous son of Sir Walter Raleigh who caused him to be drunken and dead drunk and wheeled provocatively through the streets of Paris During his later years he presided over a sociable club in the Apollo Room in Fleet Street mixed with the most learned scholars of his day and viewed with keen interest the political religious and

scientific controversies of the day Ian Donaldson's new biography draws on freshly discovered writings by and about Ben Jonson and locates his work within the social and intellectual contexts of his time Jonson emerges from this study as a more complex and volatile character than his own self-declarations and much modern scholarship would allow and as a writer whose work strikingly foresees and at times pre-emptively satirizes the modern age

Volpone by Ben Jonson Michael Stout, 1988

Volpone: or, The fox, a comedy Ben Jonson, 1739

Jonson: "Volpone" Jonas A. Barish, 1972

The Plays of Ben Jonson Walter D. Lehrman, Dolores J. Sarafinski, Elizabeth Savage (S.S.J.), 1980

An Annotated Critical Bibliography of Jacobean and Caroline Comedy (excluding Shakespeare) Peter Corbin, Douglas Sedge, 1988

A Ben Jonson Companion Dewey Heyward Brock, 1983

Journal of the Department of English, 1986
