

Why wait until marriage to have sex?

- ▶ Children should be born into a safe, committed situation, for them to flourish as humans. The covenant commitment of a marriage provides that.
- ▶ Most people would agree that sex is not just physical but emotional and spiritual as well. It should not be casually dispensed or engaged in but only with someone you truly trust.
- ▶ If one cannot wait before the covenant commitment in the presence of God and human witnesses (and the law!), i.e. marriage, what guarantee is there one will be faithful IN marriage? There will usually be someone more attractive than one's spouse at some point in one's life. Faithfulness before marriage and in marriage both require self-control.
