**Christmas on Television** Diane Werts, 2006 Christmas just isn t Christmas without Christmas on TV Whether it s the made for television specials of Rudolph the Red Nosed Reindeer and Frosty the Snowman a M A S H Christmas in Korea Kramer playing Santa on Seinfeld or the annual holiday disaster on The Simpsons or South Park television s many representations of this beloved holiday have become as essential a part of our holiday season as lights gifts or mistletoe In this entertaining chronicle of television and the Christmas season former Television Critics Association President Diane Werts weaves discussion of the many programs that have appeared during the holiday season throughout the years with interviews with writers producers and stars Not only are readers given a chance to re live their favorite holiday moments on TV but also to gain illuminating cultural insights into the increasingly strong bond that unites these two American traditions Diane Werts s book is the first to cover the entire history of the depiction of Christmas on television and includes a discussion of programs that celebrate Hanukkah Kwanzaa and the winter solstice An introductory overview helps readers to understand the basis on which television s success with the holidays is based and chronological chapters go on to consider the many different ways in which the season has been celebrated in variety shows sitcoms specials and dramas of the past six decades

**Holiday Specials on Television, 1939-2021** Vincent Terrace, 2023-01-26 In November 1939 NBC s fledgling television

station W2XBS broadcast the first known holiday special The Macy's Thanksgiving Day Parade. Despite its small viewership, very few TV sets existed at the time the experimental telecast was a harbinger of a now beloved American tradition: the holiday television special. This book offers a thorough account of holiday television specials in the United States from 1939 to 2021, highlighting variety shows, comedic performances, musical spectaculars, and more. From familiar favorites like Rudolph the Red-Nosed Reindeer to campy one-offs like He-Man and She-Ra: A Christmas Special, the 1,140 programs are covered alphabetically and feature performance casts, production credits, and storylines for each. Three appendices cover lost holiday specials along with Christmas and Halloween-themed episodes of popular television series. *TV Guide*, 1992

Weekly World News, 1981-12-15 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the *Weekly World News* has been the world's only reliable news source since 1979. The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site. *Television Drama Series Programming* Larry James Gianakos, 1987-12 Gianakos has done for television what Roget did for the Thesaurus and Bartlett did for Familiar Quotations. He has codified the industry, brought order out of chaos, made sense of what for decades was insensible. He is a pioneer and his works will have a significant effect for generations. From the Introduction by Allan Kalmus. For more than a decade, Gianakos's truly comprehensive chronicles of American television have been considered classic references. Here is the long-anticipated volume six. While nominally covering the television seasons 1984-1986, in fact, the volume's six much-amplified appendices on Pulitzer Prize fiction and plays, Nobel literature laureates, classical Greek drama, and Shakespeare selected 19th and 20th century writers and their representative teleplays, and western figures as depicted upon the small screen embrace the period through the close of 1990. The overview again blends a thorough discussion of individual series and specials with a political, sociological, and psychological examination of the whole range of powerful images conveyed. As in past volumes, a Days and Times section covers virtually all that was of dramatic import on and off the major networks and cable. Following are sections on series initiated previously, series inaugurated during the current period, series not previously chronicled, and a cumulative index of series titles. *All They Want for Christmas* Judith Arnold, Pamela Browning, 2001 This warm and wonderful volume of two yuletide romances tells how two embittered heroes each find an enchanting single mother who shows them the true meaning of love, promise, and holiday joy. *New York*, 1987-11 New York Magazine, 1986-12-22 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **New York Magazine**, 1986-12-22 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country.
