Woman Soldier:

A Woman Soldier's Own Story Bingying Xie,2001-09-18 For the first time a complete version of the autobiography of Xie Bingying 1906 2000 provides a fascinating portrayal of a woman fighting to free herself from the constraints of ancient Chinese tradition amid the dramatic changes that shook China during the 1920s 30s and 40s Xie s attempts to become educated her struggles to escape from an arranged marriage and her success in tricking her way into military school reveal her persevering and unconventional character and hint at the prominence she was later to attain as an important figure in China s political culture Though she was tortured and imprisoned she remained committed to her convictions Her personal struggle to define herself within the larger context of political change in China early in the last century is a poignant testament of determination and a striking story of one woman s journey from Old China into the new world *The Soldier's Reward* Jennifer Ngaire Heuer,2024-12-03 A sweeping history of intimacy and family life in France during the age of revolution The French Revolution and Napoleonic Wars devastated Europe for nearly a quarter of a century The Soldier s Reward recovers the stories of soldiers and their relationships to family and domestic life during this period revealing how prolonged warfare transformed family and gender dynamics and gave rise to new kinds of citizenship In this groundbreaking work combining social cultural gender and military history Jennifer Ngaire Heuer vividly describes how men fought for years with only fleeting moments of peace Combatants were promised promotion financial gain and patriotic glory They were also rewarded for their service by being allowed to return home to waiting families and love interests and with marriages that were arranged and financially supported by the state Heuer explores competing ideas of masculinity in France as well as the experiences of the men and women who participated in such marriages She argues that we cannot fully understand the changing nature of war and peace in this period without considering the important roles played by family gender and romantic entanglements Casting new light on a turbulent era of mass mobilization and seemingly endless conflict The Soldier s Reward shows how from the Revolution through the Restoration war intimacy and citizenship intersected in France in new and unexpected ways [Women in the Civil War](#) Larry G. Eggleston,2015-07-11 When the Civil War broke out women answered the call for help They broke away from their traditional roles and served in many capacities some of them even going so far as to disguise themselves as men and enlist in the army Estimates of such women enlistees range from 400 to 700 About 60 women soldiers were known to have been killed or wounded More than sixty women who fought or who served the Union or Confederacy in other ways are featured Among them are Sarah Thompson the Union spy and nurse who brought down the famous raider John Hunt Morgan Elizabeth Van Lew the Union spy instrumental in the largest prison break of the war Sarah Malinda Blalock who fought for the Confederacy as a soldier and then for the Union as a guerrilla raider Dr Mary Walker a doctor for the Union and the only woman to receive the Congressional Medal of Honor for Civil War service and Jennie Hodgers the longest serving woman soldier and the only woman to receive a soldier s pension *Sedich R. Ann*

Humphries,2014-12-10 Rilan Crendu is a slave Laboring alongside the rest of his conquered race he lives his life at the whims of his Regiment overlords But when a secret society captures him and leads him to touch the Sedich a centuries old stone imbued with the power of the Creator Rilan becomes not only a rebel but the rebel leader Able to control fire with his hands Rilan attracts the attention of the Sovereign the bloodthirsty leader of the Regiment whose sole focus is bringing Rilan down Joined by soldiers civilians and slaves from across Lusiatha Rilan must learn how to command and lead those he once had to obey and he must do so quickly For if the Sovereign succeeds and Rilan falls Lusiatha s last chance for freedom falls with him

History of Woman Suffrage: 1861-1876 Elizabeth Cady Stanton,Susan Brownell Anthony,Matilda Joslyn Gage,Ida Husted Harper,1882

A Soldier and a Woman Gerard J.De Groot,C Peniston-Bird,2014-07-30 The question of women s role in the military is extremely topical A Woman and a Soldier covers the experiences of women in the military from the late mediaeval period to the present day Written in two volumes this comprehensive guide covers a wide range of wars The Thirty Years War the French and Indian Wars in Northern America the Anglo Boer War the First and Second World Wars the Long March in China and the Vietnam War There are also thematic chapters including studies of terrorism and contemporary military service Taking a multidisciplinary approach historical anthropological and cultural the book shows the variety of arguments used to support or deny women s military service and the combat taboo In the process the book challenges preconceived notions about women s integration in the military and builds a picture of the ideological and practical issues surrounding women soldiers

The Young Woman's Journal ,1904

Behind the Rifle Shelby Harriel-Hidlebaugh,2019-02-25 During the Civil War Mississippi s strategic location bordering the Mississippi River and the state s system of railroads drew the attention of opposing forces who clashed in major battles for control over these resources The names of these engagements Vicksburg Jackson Port Gibson Corinth Iuka Tupelo and Brice s Crossroads along with the narratives of the men who fought there resonate in Civil War literature However Mississippi s chronicle of military involvement in the Civil War is not one of men alone Surprisingly there were a number of female soldiers disguised as males who stood shoulder to shoulder with them on the firing lines across the state Behind the Rifle Women Soldiers in Civil War Mississippi is a groundbreaking study that discusses women soldiers with a connection to Mississippi either those who hailed from the Magnolia State or those from elsewhere who fought in Mississippi battles Readers will learn who they were why they chose to fight at a time when military service for women was banned and the horrors they experienced Included are two maps and over twenty period photographs of locations relative to the stories of these female fighters along with images of some of the women themselves The product of over ten years of research this work provides new details of formerly recorded female fighters debunks some cases and introduces over twenty previously undocumented ones Among these are women

soldiers who were involved in such battles beyond Mississippi as Shiloh Antietam and Gettysburg Readers will also find new documentation regarding female fighters held as prisoners of war in such notorious prisons as Andersonville *Woman's Label League Journal* ,1916 The Woman's Kingdom Dinah Maria Mulock Craik,1877 **The Dial** Francis Fisher Browne,Waldo Ralph Browne,Scofield Thayer,1919 The Works of Frederick Schiller: History of the revolt of the Netherlands (cont.).
