Woman And Temperance:

Woman and Temperance Ruth Birgitta Anderson Bordin, 1990 Reprint Originally published Philadelphia Temple University Press 1981 Woman and Temperance Frances Elizabeth Willard, 1886 **Woman's World/Woman's Empire** Ian Tyrrell, 2014-03-19 Frances Willard founded the Woman's Christian Temperance Union in 1884 to carry the message of women's emancipation throughout the world Based in the United States the WCTU rapidly became an international organization with affiliates in forty two countries Ian Tyrrell tells the extraordinary story of how a handful of women sought to change the mores of the world not only by abolishing alcohol but also by promoting peace and attacking prostitution poverty and male control of democratic political structures In describing the work of Mary Leavitt Jessie Ackermann and other temperance crusaders on the international scene Tyrrell identifies the tensions generated by conflict between the WCTU's universalist agenda and its own version of an ideologically and religiously based form of cultural imperialism The union embraced an international and occasionally ecumenical vision that included a critique of Western materialism and imperialism But at the same time its mission inevitably promoted Anglo American cultural practices and Protestant evangelical beliefs deemed morally superior by the WCTU Tyrrell also considers from a comparative perspective the peculiar links between feminism social reform and evangelical religion in Anglo American culture that made it so difficult for the WCTU to export its vision of a woman centered mission to other cultures Even in other Western states forging links between feminism and religiously based temperance reform was made virtually impossible by religious class and cultural barriers Thus the WCTU ultimately failed in its efforts to achieve a sober and pure world although its members significantly shaped the values of those countries in which it exercised strong influence As an urgently needed history of the first largescale worldwide women's organization and non denominational evangelical institution *Woman's World Woman's Empire* will be a valuable resource to scholars in the fields of women's studies religion history and alcohol and temperance studies

Woman and Temperance Frances Elizabeth Willard, 1883 Bonded Leather binding **Women Torch-bearers** Elizabeth Putnam Gordon, 1924 *History of the Woman's Temperance Crusade* Annie Wittenmyer, 2020-09-28 Ours is a famous country for protection There is the tariff to protect industry while the patent laws are a safeguard to invention There are the land grants for railroads subsidies for steamship companies charters for corporations In many of the States we have societies for the prevention of cruelty to animals and in nearly all laws for the protection of game Busy with all these gentle wise and patriotic measures there is one place our brothers have forgotten adequately to protect and that is Home The *Women's Temperance Crusade* embalmed in the pages that follow was a protest against this forgetfulness and this neglect It was the wild cry of the defenceless and despairing whose echo rose to Heaven and still resounds in every ear that is not deaf At the height of that wonderful uprising a sweet voiced Quaker woman led her band to the chief saloon in an Ohio village What business have you to come here roared the affrighted dealer Going to the bar she laid her Bible down and said Thee

knows I had five sons and twenty grandsons and thee knows that many of them learned to drink right in this place and one went forth from here maddened with wine and blew his brains out with a pistol ball and can't thee let his mother lay her Bible on the counter whence her boy took up the glass and read thee what God says Woe unto him that puts the bottle to his neighbor's lips The saloon keeper had but to point to the wall behind him where hung his License to sell bearing the names of prominent citizens of the village and emblazoned with the escutcheon of the Commonwealth They all met in that little scene Gospel and Law man's failure woman's grief while the reason why and the place in which they met gave ample answer to the question heard so often What did the Crusade mean There is another question quite as often asked What did the Crusade do One of its leaders made this reply to the Temperance Sojourner who writes these lines Well let me answer from my own experience Until it swept over our place though I had lived there twenty years I knew so little about this drinking business that I couldn't have pointed out a saloon in the whole town I thought the queer looking places with blinds and screens were barber shops Since then I have found out that they are shops where men get shaved not of their beards but of their honor Since then too I took my little four year old boy to market with me one morning and feeling his clasp of my hand tighten I looked down and saw his head turned backward apprehensively Why Willie what's the matter I exclaimed There were volumes of meaning in the reproachful roll of his solemn blue eyes as he whispered Didn't mamma know that her little boy was a passin' a saloon Surely it was the crowning achievement of the Crusade that it opened the eyes of millions of women and children in this land to the existence and the dangers of the rum shop In consequence of this the public finger points to day with imperious gesture at the saloon and woman's voice in tones of irresistible persuasion cries Look there What did the Crusade do Take another illustration In front of a saloon that had refused them entrance knelt a crusading group Their leader was also the most prominent Methodist lady of the community Her head was crowned with the glory of gray hairs her hands were clasped her sweet and gentle voice was lifted up in prayer Around her knelt the flower of all the churches of that city Congregationalists Baptists Presbyterians many of whom had never worked outside their own denominations until now At the close an Episcopal lady offered the Lord's prayer in which joined Unitarians Swedenborgians and Universalists and when they had finished a dear old lady in the dove colored garb of the Friends Society was moved to pray while all the time below them on the curbstone's edge knelt Bridget with her beads and her Ave Marie Going out on the street signified a good deal when one comes to think about it First of all it meant stepping outside the denominational fence which properly enough surrounds one's home The Crusaders felt that unity of the Spirit was the one essential nor feared to join hands with any who had the Bible and the temperance pledge for the two articles in their Confession of Faith who rallied to the tune of Rock of Ages cleft for me or had for their watchword Not willing that any should perish Best of all going out on the street brought women face to face with the world's misery and sin And here I may be pardoned a bit of personal reminiscence Never can I forget the day I met the great unwashed untaught ungospelled multitude for the first time Need I say it was the Crusade that

opened before me as before ten thousand other women this wide effectual door It was in Pittsburgh the summer after the Crusade Greatly had I wished to have a part in it but this one experience was my first and last of going out with a band A young teacher from the public schools whose custom it was to give an hour twice each week to crusading walked arm in arm with me Two school ma ms together we fell into the procession behind the experienced campaigners On Market street we entered a saloon the proprietor of which pointing to several men who were fighting in the next room begged us to leave and we did so at once amid the curses of the bacchanalian group Forming in line on the curbstone s edge in front of this saloon we knelt while an old lady to whose son that place had proved the gate of death offered a prayer full of tenderness and faith asking God to open the eyes of those who just behind that screen were selling liquid fire and breathing curses on his name We rose and what a scene was there The sidewalk was lined by men with faces written all over and interlined with the record of their sin and shame Soiled with the slime from the muddy banks of time tattered dishevelled there was not a sneering look or a rude word or action from any one of them Most of them had their hats off many looked sorrowful some were in tears and standing there in the roar and tumult of that dingy street with that strange crowd looking into our faces with a heart stirred as never until now by human sin and shame I joined in the sweet gospel song Jesus the water of life will give Freely freely freely Just such an epoch as that was in my life has the Crusade proved to a mighty army of women all over this land Does anybody think that having learned the blessedness of carrying Christ s gospel to those who never come to church to hear the messages we are all commanded to Go tell we shall ever lay down this work Not until the genie of the Arabian Nights crowds himself back into the fabulous kettle whence he escaped by expanding his pinions in nebulous bars not until then To day and every day they go forth on their beautiful errands the Protestant nuns who a few years ago were among the anxious and aimless of our crowded population or who belonged to trades and professions overfull and with them go the women fresh from the sacred home hearth and cradle side wearing the halo of these loving ministries If you would find them go not alone to the costly churches which now welcome their voices while to those who are at ease in Zion they gently speak of the great whitened harvest But go to blacksmith shop and billiard hall to public reading room and depot waiting room to the North End in Boston Water street New York the Bailey coffee houses of Philadelphia the Friendly Inns of Cleveland the Woman s Temperance Room of Cincinnati and Lower Farwell Hall Chicago and you will find the glad tidings declared by the new apostolic succession dating from the Pentecost of the Crusade

Woman and Temperance Union: Or, The Work and Workers of the Woman's Christian Temperance Union Frances Elizabeth Willard, Mary Artemisia Lathbury, 1889 **History of the Woman's Temperance Crusade** Annie Wittenmyer, 1878 **Well-Tempered Women** Carol Mattingly, 2000-09-01

In this richly illustrated study Carol Mattingly examines the rhetoric of the temperance movement the largest political movement of women in the nineteenth century Tapping previously unexplored sources Mattingly uncovers new voices and different perspectives thus greatly expanding our knowledge of temperance women in particular and of nineteenth century

women and women's rhetoric in general Her scope is broad she looks at temperance fiction newspaper accounts of meetings and speeches autobiographical and biographical accounts and minutes of national and state temperance meetings The women's temperance movement was first and foremost an effort by women to improve the lives of women Twentieth century scholars often dismiss temperance women as conservative and complicit in their own oppression As Mattingly demonstrate however the opposite is true temperance women made purposeful rhetorical choices in their efforts to improve the lives of women They carefully considered the life circumstances of all women and sought to raise consciousness and achieve reform in an effective manner And they were effective gaining legal political and social improvements for women as they became the most influential and most successful group of women reformers in the nineteenth and early twentieth centuries Mattingly finds that for a large number of women who were unhappy with their status in the nineteenth century the temperance movement provided an avenue for change Examining the choices these women made in their efforts to better conditions for women Mattingly looks first at oral rhetoric among nineteenth century temperance women She examines the early temperance speeches of activists like Susan B Anthony and Elizabeth Cady Stanton who later chose to concentrate their effort in the suffrage organizations and those who continued to work on behalf of women primarily through the temperance topic such as Amelia Bloomer and Clarina Howard Nichols Finally she examines the rhetoric of members of the Woman's Christian Temperance Union the largest organization of women in the nineteenth century Mattingly then turns to the rhetoric from perspectives outside those of mainstream middle class women She focuses on racial conflicts and alliances as an increasingly diverse membership threatened the unity and harmony in the WCTU Her primary source for this discussion is contemporary newspaper accounts of temperance speeches Fiction by temperance writers also proves to be a fertile source for Mattingly's investigation Insisting on greater equality between men and women this fiction candidly portrayed injustice toward women Through the temperance issue Mattingly discovers women could broach otherwise clandestine topics openly She also finds that many of the concerns of nineteenth century temperance women are remarkably similar to concerns of today's feminists

truth behind the amazing work of the women of the temperance movement In a time when women had no vote their
temperance work made the voices of many heard and their actions count Exploring a forgotten but vital element of women s
history Scandal Salvation and Suffrage demonstrates how closely the temperance campaign was linked to the fight for
suffrage Told through the true stories of real women we see how they rose above their status as the weaker sex to campaign
for restrictions on the sale of alcohol having recognised that many social problems were caused by excessive drinking an
issue still prevalent today Some women were admirable but not likeable while others were more radical and ahead of their
time Sex slander and scandal all feature in their stories This book leaves the reader to decide whether there are any lessons
to be learned today from the work of these remarkable women and encourages us to remember their hard work and
determination Based on considerable research but written in an accessible way Scandal Salvation and Suffrage aims to
celebrate the work of these extraordinary women and will appeal to those who enjoy social and women s history It is not
