## **Woman In Christian Tradition:**

*Her Story* Barbara J. MacHaffie, 2006 The Bible has been written translated and interpreted for centuries by men in cultures that were patriarchal In patriarchy women are subordinated within the gradations of a hierarchical society Material on women therefore has often been misinterpreted or overlooked In some instances generic nouns and pronouns in the original languages have been translated into English as masculine words A careful textual study must be made using all the available tools of biblical scholarship An accurate understanding of the meaning of words must be sought Also readers must try to discern the intentions of the author and try to gain a knowledge of the historical and social background of the biblical material The demands of God must be distinguished from the demands of a particular culture The bible as a whole makes it clear that God's people are to bring justice and wholeness to all human beings the injunctions that degrade women do not provide principles valid for every age of Christianity but instead reflect cultural situations in which men related to women through dominance The standard for the Christian community today should be the glimmers of female dignity and leadership that shine through the pages of the Bible

**Women in Christian Traditions** Rebecca Moore, 2015-03-06 Description of the roles women have played in the construction and practice of Christian traditions from the earliest disciples to the latest theologians

*Readings in Her Story* Barbara J. MacHaffie, A unique anthology Barbara MacHaffie has collected into one volume 74 of the most important Christian documents and passages by and about women Ranging from Genesis to now these primary sources put the reader directly in touch with the most significant and influential events personalities and issues of women's religious history Often lamentably and sometimes gloriously these voices ancient and modern female and male Roman Catholic and Protestant feminist and patriarchal bear decisively on women's identities today
