Domestic Violence Against Men and Boys Elizabeth A. Bates, Julie C. Taylor, 2022-12-30 Domestic Violence Against Men and Boys Experiences of Male Victims of Intimate Partner Violence is a unique book that brings together contemporary research and practice around working with men and boys who are victims of domestic violence and abuse The book features contributions from experts within the field who draw on the wide range of evidence that demonstrates the multifarious experiences and impacts of this victimisation This text focusses on the increasing evidence related to the prevalence of domestic violence and abuse within the family towards men and boys With contributions from experts within the field this book covers a comprehensive list of topics derived from empirical evidence The chapters focus on key themes such as experience of the abuse challenges to the current theory barriers and experiences of help seeking impact on children and working with male victims within practice and criminal justice settings Further the text underscores numerous recommendations around changing current practices to enable a better support system for men and boys The text will therefore be invaluable in increasing awareness of the research and support in the field of domestic violence This book will be of use to researchers practitioners and educators working in the field of domestic violence and abuse It will also be beneficial to policy makers who are reviewing legislation and those involved in commissioning psychological services and victim services that work with male victims

Men's Sacrifice, Women's Privilege Sophie-Marie Eve, 101-01-01 Are You Tired of Being Told Men Are the Problem Do you feel like modern feminism has gone too far Are you frustrated by the constant narrative that men are oppressors and women are perpetual victims Do you wonder why men's sacrifices and struggles are ignored while women's grievances are amplified If so this book is for you Discover the historical truth about patriarchy and how it was built on collaboration not oppression Learn why the victimhood narrative harms both men and women and how it undermines true equality Explore the toxic impact of gender wars and why masculinity should be celebrated not vilified Uncover the Marxist roots of modern feminism and how it seeks power not equality Understand the dangers of feminist policies on family structures and societal stability See how false empowerment through victimhood

creates dependency not strength Examine the moral and societal consequences of the abortion debate including men's rights Reclaim the value of masculinity and learn how to build healthier more balanced relationships If you want to break free from the lies of modern feminism and understand the true dynamics of gender then buy this book today It's time to stop the blame game and start building a society where both men and women can thrive [Does Feminism Discriminate Against Men?](#) Warren Farrell, Steven Svoboda, James P. Sterba, 2008 Does feminism give a much needed voice to women in a patriarchal world Or is the world not really patriarchal Has feminism begun to level the playing field in a world in which women are more often paid less at work and abused at home Or are women paid equally for the same work and not abused more at home Does feminism support equality in education and in the military or does it discriminate against men by ignoring such issues as male only draft registration and boys lagging behind in school The only book of its kind this volume offers a sharp lively and provocative debate on the impact of feminism on men Warren Farrell an international best selling author and leader in both the early women's and current men's movements praises feminism for opening options for women but criticizes it for demonizing men distorting data and undervaluing the family In response James P Sterba an acclaimed philosopher and ardent advocate of feminism maintains that the feminist movement gives a long neglected voice to women in a male dominated world and that men are not an oppressed gender in today's America Their wide ranging debate covers personal issues from love sex dating and rape to domestic violence divorce and child custody Farrell and Sterba also look through their contrasting lenses at systemic issues from the school system to the criminal justice system from the media to the military and from health care to the workplace A perfect book to get students thinking and debating [Does Feminism Discriminate Against Men A Debate](#) is ideal for courses in gender studies sociology psychology economics feminist philosophy and contemporary moral issues It is also compelling reading for anyone interested in the future of men and women [Violence Against Women](#) Nicole Westmarland, 2025-06-02 Providing an overview of different forms of violence against women this second edition has been significantly updated to reflect the changes that have taken place in recent years Much has changed since the publication of the first edition which is reflected throughout this new volume It is organised thematically into three parts men's violence against women in relationships Part 1 in the family Part 2 and in public spaces Part 3 and every chapter has been thoroughly revised and updated New chapters have also been added covering sexual harassment and misconduct in the workplace on the night time economy including spiking and violence against women in cyberspace The book covers the main forms of violence against women Looking at it from a research policy and practice perspective this book widens the lens through which we view men's violence against women [Violence Against Women](#) is an essential reading for social scientists who want to be up to date with cutting edge knowledge on this topic It is also an invaluable text for those training to enter or become qualified in the specialist domestic and sexual violence sector **The Psychology of Sex and Gender** Jennifer K. Bosson, Joseph A. Vandello, Camille E. Buckner, 2018-01-17 The Psychology of

Sex and Gender meets the needs of gender science today providing students with fresh contemporary examples balanced coverage of men and women and a grounding in psychological science The dynamic author team of Jennifer K Bosson Joseph A Vandello and Camille E Buckner presents classic and cutting edge research findings historical contexts examples from popular culture cross cultural universality and variation and coverage of nonbinary identities for a full vibrant picture of the field In keeping with the growing scholarship of teaching and learning SOTL the authors ask students in every chapter to identify and evaluate their own myths and misconceptions participate in real world debates on topics at the forefront of the field and stop to think critically along the way Students will be talking about this book long after they finish the course carrying new skills forward into their lives and future careers
