## **Women In Transition:**

Women in Transition Maria-José Blanco, Claire Williams, 2021-05-06 This volume brings together scholars students and writers as well as artists from around the world By choosing a thematic focus on transition in women s lives we present research on women who have crossed biological geopolitical and political borders as well as emotional sexual cultural and linguistic boundaries The international approach brings together different cultures and genres in order to emphasize the links and connections that bind women together rather than those which separate them The chapters consider the ways in which the changes and transitions women undergo influence the world we live in We are particularly interested in the idea of crossing borders and how this influences identity and belonging and the theme of crossing boundaries in the context of motherhood as well as sexual orientation The topic is timely given the waves of migration all around the world in recent times The contributors deal with issues central to contemporary life such as gender equality and women s empowerment as well as understanding women s identities and being sensitive to fluid concepts of gender and sexuality
