**Isaline Blew Horner**

## **Womens Insight:**

Women and Elective Office Sue Thomas, Clyde Wilcox, 2005-09-02 Since the publication of the first edition of this book former U S Senator Carol Moseley Braun s campaign for the presidency in 2004 and the widespread discussion of a run in 2008 by Senator Hillary Rodham Clinton have significantly raised the profile of women on the national political stage At the same time progress in electing women to the U S Congress and state legislatures has stalled The essays in Women and Elective Office Past Present and Future which feature research on women as political candidates and officeholders address this paradox Recruitment patterns media portrayals and voter reactions to women candidates are analyzed along with the impact of women in office relative to the challenges they face The 2nd edition includes increased coverage of women on the congressional level women officeholders of color and analysis of women parliamentarians worldwide In total Women and Elective Office offers a comprehensive look at the experiences and influence of women politicians today while considering women s prospects for political leadership in the twenty first century Equality in Politics Julie Ballington, 2008

Contemporary Israel Frederick E. Greenspahn, 2016-08-09 For a country smaller than Vermont with roughly the same population as Honduras modern Israel receives a remarkable amount of attention For supporters it is a unique bastion of democracy in the Middle East while detractors view it as a racist outpost of Western colonialism The romanticization of Israel became particularly prominent in 1967 when its military prowess shocked a Jewish world still reeling from the sense of powerlessness dramatized by the Holocaust That imagery has grown ever more visible with Israel s supporters idealizing its technological achievements and its opponents attributing almost every problem in the region if not beyond to its imperialistic aspirations The contradictions and competing views of modern Israel are the subject of this book There is much to consider about modern Israel besides the Middle East conflict Over the past generation a substantial body of scholarship has explored numerous aspects of the country including its approaches to citizenship and immigration the arts the women s movement religious fundamentalism and language but much of that work has to date been confined within the walls of the academy This book does not seek not to resolve either the country s internal debates or its struggle with the Arab world but to present a sample of contemporary scholars discoveries and discussions about modern Israel in an accessible way In each of the areas discussed competing narratives grapple for prominence and it is these which are highlighted in this volume **Judicial Power and National Politics, Second Edition** Patricia J. Woods, 2017-02-21 In Judicial Power and National Politics Second Edition Patricia J Woods returns to an issue that has only grown in relevance since the first edition s publication in 2008 the religious secular conflict in Israel The first edition focused on the role that courts and justices play in deeply charged political battles In the last quarter of the twentieth century social groups turned to the judicial arm of the state in an effort to force the state to change its laws and policies on religious personal status law or family law Through an extensive case study of the interactions of the women s movement with the High Court of Justice Woods argues that the most important determining

factor explaining when why and how national courts enter into the world of divisive politics is found in the intellectual or judicial communities with whom justices live work and think about the law The interaction among members of this community over time culminates in new legal norms This second edition takes into account what has happened in the past decade with public debate over religion and the state moving away from the court and into the realm of popular politics on the Knesset floor in the media in shopping malls and on the streets Included for the first time is the dataset for the author's national survey of women's movement volunteers

**The Diversity of Muslim Women's Lives in India** Zoya Hasan, Ritu Menon, 2005 In order to broaden the lens through which Muslim women are typically seen a group of researchers in India carried out a large and unprecedented study of one of the most disadvantaged sections of Indian society The editors of *The Diversity of Muslim Women's Lives in India* bring together this research in a comprehensive collection of informative and revealing case studies

**Woman's Share in Social Culture** Anna Garlin Spencer, 1908 **Women's Employment**, 1929 **General Federation of Women's Clubs Magazine**, 1916 *The Women's Annual* Barbara Haber, 1983 *The Smith College Monthly*, 1901 *Shaping the Women's Global Agenda* Olivia Hubilla-Tripon, 2007 This book chronicles the experiences and insights of Filipino women leaders that will inspire and empower young women to continue working for women's advancement and blaze trails towards gender equality and opening up more opportunities for the next generation

**The Women of the French Salons** Amelia Gere Mason, 1891 Biographical sketches of French women who participated in salons which reveal their intellectual and cultural influence *Women Professional Workers* Elizabeth Kemper Adams, 1921 **Women Under Primitive Buddhism** Isaline Blew Horner, 1930 *Journal of the American Association of University Women*, 1927 **A Gentleman of Sorts** Everett Young, 1923 **Identity, Dissatisfaction and Political Activity - The Experience of East German women since Unification** Debbie Wagener, 2008-07-09 Doctoral Thesis Dissertation from the year 2002 in the subject Sociology Politics Majorities Minorities grade bestanden University of Birmingham language English abstract Diese Arbeit ist eine Forschungsarbeit über die Wirkungen der Integration ostdeutscher Frauen im wiedervereinigten Deutschland Sie untersucht die Unterschiede der Erfahrungen von ostdeutschen und westdeutschen Frauen und ob dies zu Unterschieden der feministischen Werte und Erwartungen geführt hat Sie untersucht auch inwieweit ostdeutsche Frauen eine Änderung in ihrer gesellschaftlichen Position beobachtet haben und insbesondere inwieweit sie sich zum Nachteil ausgewirkt hat Sie stellt die Hypothese auf da die potentielle Unzufriedenheit mit dem neuen Status dazu führen könnte da ostdeutsche Frauen eine bedeutende Rolle in der Entwicklung der Frauenpolitik insbesondere der Beschäftigungspolitik einnehmen werden Die Feldstudie konzentriert sich von daher sowohl auf Anzeichen der Unzufriedenheit unter ostdeutschen Frauen als auch die politischen Ziele Aktivitäten und der Einflussbereich von Frauengruppen **Careers for Women** Catherine Filene Shouse, 1920 **Women of Renown** George Barnett Smith, 1893 *Bulletin of the National Federation of Business and Professional Women's Clubs*, 1930
