## **The False Faces:**

The Iroquois Ceremonial of Midwinter Elisabeth Tooker, 2000-04-01 The Midwinter ceremonial the longest and most complex of the rituals of the Longhouse religion is examined here in three parts Following a short cultural history of the Iroquois and a description of the present geographical location of the various longhouses and tribes Elisabeth Tooker discusses the principles of Iroquois ritualism The second part of the book is devoted to detailed accounts of the Midwinter ceremonial as it is performed today at six Iroquois longhouses The third part presents the historical perspective of the ceremony through excerpts from writings of Roman Catholic and Protestant missionaries captives travelers local residents and anthropologists

**Conservatism among the Iroquois at the Six Nations Reserve** Annemarie Anrod Shimony, 1994-07-01 Annemarie Anrod Shimony's classic work clearly shows the contemporary cultural and religious crises that face the Longhouse Iroquois at the Six Nations Reserve Ontario Shimony presents a lucid and eloquent account of the survival of the Native American tradition which is struggling to maintain political and cultural autonomy in an ever changing modern world Based on original field work dating from 1953 to 1961 and supplemented by new material describing changes during the last thirty years Shimony's work is once again the most comprehensive ethnography of the largest extant traditional Iroquoian community Some of the material discussed includes the social organization the system of hereditary chiefs the beliefs and practices of the Longhouse religion the events of the Iroquoian life cycle and the extensive medicinal and witchcraft aspects of the culture Additional areas of focus include the rituals of the agricultural calendar and Iroquois conceptions of death and burial rituals As Elizabeth Tooker wrote in *Indians of the Northeast* Shimony's monograph is next to Morgan's *League* the most important general description of the Iroquois With its new material added **Conservatism among the Iroquois** is once again required reading for anyone interested in Native American culture

**Lewis H. Morgan on Iroquois Material Culture** Elisabeth Tooker, 2022-08-09 Lewis Henry Morgan's mid nineteenth century assemblage of Iroquois made artifacts featured more than 500 objects and at the time was the largest such collection for a single Indian group In this richly illustrated volume Elisabeth Tooker has brought together much previously unpublished material not only to show how Morgan managed such an impressive feat of scholarship but also to reveal something of his too often neglected research methods

### **The False Faces Introduction**

In today's digital age, the availability of The False Faces books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The False Faces books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The False Faces books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The False Faces versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The False Faces books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The False Faces books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The False Faces books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The False Faces books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The False Faces books and manuals for download and embark on your journey of knowledge?
