Elwell, 1991 In challenging the popular notion that industrialized nations are moving toward postindustrialism Elwell questions the methodology of futurists He asserts that simple trend analysis is devoid of both explicit theory and any sense of history for while eschewing historical or theoretical frameworks the futurist is free to select or create trends from singular events that correspond to personal hopes or fears The volume evaluates futurist projections in terms of their consistency with history and theory and concludes that the processes of technological development are rooted in our industrial past and present **The Virtual Workplace** Magid Igbaria, Margaret Tan, 1998 The current merging of computer and communication technologies is facilitating the trend

toward the virtual workplace As the growth in the virtual workplace accelerates organizations face new challenges to cope with their new organizational structure The Virtual Workplace explores the forces that are driving this phenomenon and the consequential issues and problems that will influence the globalization of the virtual workplace by offering a wide and rich array of factors such as social issues legal concerns and performance compensations **A Report on the Evolution of IT Industry in India** ,1991 Refers to the information technology industry **Proceedings, Harvesting Machines and Systems Evaluation Workshop** William B. Stuart,1988 Public Personnel Management Donald E. Klingner,John Nalbandian,2003 Reflecting contemporary political and managerialrealities this book provides a comprehensive exploration of the values conflicts political processes and management techniques which provide the context for personnel administration in the public sector A five part organization covers an introduction to the world of public personnel management planning acquisition development and sanctions For human resources personnel especially managers **The Evolution of OPEC Strategy** Fariborz Ghadar,1977 **James A.
