Monstrous Regiment Terry Pratchett,2014-02-14 The Monstrous Regiment in question is made up of a vampire reformed and off the blood thank you a troll Igor who is only too happy to sew you a new leg if you aren't too particular about previous ownership a collection of misfits and a young woman discovers that a pair of socks shoved down her pants is a good way to open up doors

Monstrous Regiment Terry Pratchett,2003 It was a sudden strange fancy and now Polly Perks in her brother's clothes and her hair cut off has joined up to fight for her country just like the song says But who is the enemy What is she really fighting for Why does she need a rolled up pair of socks War teaches you a lot she finds when it turns out that you joined the Monstrous Regiment

Monstrous Regiment Terry Pratchett,2004-08-31 **Monstrous Regiment** Terry Pratchett,2004-08-31 It began as a sudden strange fancy Polly Perks had to become a boy in a hurry Cutting off her hair and wearing trousers was easy Learning to fart and belch in public and walk like an ape took more time And now she's enlisted in the army and searching for her lost brother But there's a war on There's always a war on And Polly and her fellow recruits are suddenly in the thick of it without any training and the enemy is hunting them All they have on their side is the most artful sergeant in the army and a vampire with a lust for coffee Well They have the Secret And as they take the war to the heart of the enemy they have to use all the resources of the Monstrous Regiment

Monstrous Regiment Terry Pratchett,2025-07-08 Wickedly satirical nothing short of brilliant Publishers Weekly starred review New York Times bestselling author Sir Terry Pratchett explores the inanity of war sexual politics and why the best man for the job is often a woman in this acerbically funny and poignant Discworld novel In the small country of Borogravia there are strict rules citizens must follow Women belong in the kitchen not in offices pubs nor pants And certainly not on the front lines when war comes to Discworld Polly Perks took over running her family's humble inn when her brother Paul marched off to war But it's been more than two months since his last letter home and the news from the front is bad To find her missing brother the resourceful Polly cuts off her hair and joins the army as a young man named Oliver As Polly closely guards her secret she notices that her fellow recruits seem to be guarding secrets of their own And before they've learned to properly march Polly and her fellow raw recruits find themselves in the thick of a losing battle All they have on their side is the most artful sergeant in the army and a vampire with a lust for coffee No matter it's time to make a stand The Discworld novels can be read in any order but Monstrous Regiment is a standalone

femininity in books for younger readers Many literary and cultural critics have studied the cultural significance of adult cross dressing yet although cross dressing representations are plentiful in children s literature and film very little critical attention has been paid to this subject to date Into the Closet fills this critical gap Cross dressing demonstrates how gender is symbolically constructed through various items of clothing and apparel It also has the ability to deconstruct notions of problematizing the relationship between sex and gender Into the Closet is an important book for academics teachers and parents because it demonstrates how cross dressing rather than being taboo is frequently used in children s literature and film as a strategy to educate or enculturate children about gender
