## **The Runaway Summer:**

The Runaway Summer George Moniaros,2021-12-06 Summer is a little baby bear who lives with her parents and older siblings in the middle of Blueberry Woods She is cute smart adventurous and determined to be just like the runaway monkey in the story her grandmother read to her the night before After she packs a few of her favorite things Summer escapes in the middle of the night Soon after she finds a good spot to camp the little bear meets Callie a new bear friend who decides to share her tent with her Meanwhile Summer s family is becoming more worried by the day and start searching for her But little do they know that Summer is starting to get homesick Will the little bear ever find her way back home In this charming story with an important message a little bear runs away from home only to discover how much her family really loves her

*The Runaway Summer* Nina Bawden,2013-12-19 Deeply unhappy at the recent divorce of her parents Mary is sent away to live by the sea with her distant grandfather and the detestable Aunt Alice Feeling abandoned without even the company of her beloved pet cat Noakes the summer looks set to become one long stretch of unendurable loneliness But suddenly she is dragged half unwittingly into a situation that will force her to come to the aid of others more vulnerable than herself So begins her runaway summer as she sets about helping Simon the son of a local policeman and a young illegal immigrant boy arrived from Kenya frightened and all alone The Runaway Summer was first published in 1969 to typically universal acclaim

It is in the words of the Times Educational Supplement an unputdownable gem of a book The tale is beautifully constructed in diamond hard language **Runaway Summer** Nina Bawden,1988 *Runaway Summer* Sarah Humphreys,2013-06-21 A story about a girl named Katrina that runs away from her drunk father and home with guilt of stealing a time machine Her two strange best friends Maybee and Gordon must chase her across Nevada and reach her before the police do *'Gifted Children' in Britain and the World* Jennifer Crane,2025-02-13 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read on Oxford Academic and offered as a free PDF download from OUP and selected open access locations The idea that a child is intellectually gifted has a social and cultural history This book analyses that social history at multiple scales and makes the voices of the gifted young themselves central through examination of their poetry letters and life writing In daily encounters those labelled gifted sometimes loved this label and felt special in comparison to peers at school and siblings at home For others gifted was a silly or embarrassing label and many questioned the idea of separating off young people in terms of intelligence as well as the specific forms of testing being used Ideas of the gifted child also reshaped family lives parents dedicated time to providing special leisure spaces for those thought of as gifted running them in their own homes and taking their children significant distances to spend time with others that were also gifted Voluntary organisations were critical here as the network through which young people and adults encountered the term gifted and lived and created it relationally through interactions with one another Voluntary organisations looking to gain attention and visibility also critically shaped the idea that the gifted young were elites of the future central to answering

challenges of economic decline global warfare or humanitarian aid The hopes placed on gifted children between the 1960s and the 1990s were often sky high yet many gifted young still felt that the community wasted their talents and did not support them This book then provides new perspectives on the tensions between elitism and equality in modern Britain It also offers vivid stories of optimism hope disappointment and criticism in which young people themselves play a central role

**The Secret Passage** Nina Bawden,2011-12-15 Lonely and forlorn after their mother s death and their sudden arrival at Aunt Mabel s seaside boarding house John Mary and Ben Mallory are unimpressed with their new life in England But there are wonderful surprises in store for them when they discover a secret way into the grand and empty house next door Soon all sorts of unexpected events will unfold as the siblings encounter a whole host of eccentric characters and happenings

Completed in 1963 *The Secret Passage* is Nina Bawden s first children s novel and was written especially for her own three children after they had discovered a secret passage in the cellar of their house It beautifully reflects her own inquisitive nature as she herself has said I was a keyhole child fearsomely curious wedded to her subtly innovative ability to empathise with the child s view

**The Runaway's Diary** Marilyn Harris,1971 A diary of a young girl s experiences during the three months she spends in Canada after running away from her troubled home

*The Outside Child* Nina Bawden,2013-11-07 I am an outside child That is what Plato Jones calls me Jane Tucker is thirteen years old when she discovers she has a half brother and sister a revelation which promises to bring both excitement and succour to her ordinary life But obstacles lie in her path when for unknown reasons she is prevented from meeting them Aided by her friend Plato Jane tracks down her brother and sister to their home in the East End of London There she finds still more surprises lie in store for her Can Jane at last be part of a proper family or must she always remain the outside child This is the story of a girl and her family and the secrets they keep from one another Both funny and poignant *The Outside Child* is a beautifully drawn study of adolescence from one of Britain s most skilled writers for children

*Thoughts of Arabel* Elizabeth B. Jenkins,1928

**Crime in the National Capital** United States. Congress. Senate. Committee on the District of Columbia,1970

*Children's Book Review Index* ,1985

**The Literary Filmography** Leonard Mustazza,2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens s *A Christmas Carol* and Hawthorne s *The Scarlet Letter* were adapted to film in the silent era as were such books as Thomas Dixon s Jr s *The Klansman* basis for the film *Birth of a Nation* In recent years Nick Hornsby s *About a Boy* and each of Helen Fielding s *Bridget Jones s Diary* novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles Each entry includes the original work s title author year of first publication literary prizes and a brief plot summary Information on film adaptation s of the work including adaptation titles director

screenwriter principal cast and the names of the characters they portray major awards and availability in the most common formats DVD VHS is also offered The Lutheran George Washington Sandt,1928 The Nineteenth Century and After,1884 **Runaway Summer** Rebecca Shoptaw,2012-12-19 It s the first day of summer and Hannah runs away by accident Adventures ensue *The Metal Worker* ,1908 **Nineteenth Century and After** ,1884 The Hill and Beyond Alistair D. McGown,Mark J. Docherty,2003-03 The variety that is children s television drama is recalled in this book shows such as Grange Hill Stig of The Dump The Railway Children The Magician s House The Chronicles of Narnia and The Box of Delights It lists entries on every British made children s drama to have been shown on UK screens since 1950 Critical appraisals assess the kind of stories told for children along with all the technical data and trivia Programmes from the BBC and ITV are assessed whether they were adaptations of literary classics or new contemporary dramas adventure fantasy or science fiction The Playground ,1926 *The Publishers' Trade List Annual* ,1875
